Marcos Lupian will be retiring as of February 28, 2022 after over 20 years of service. Marcos has been dedicated to our students and served as a great role model and guide for them.

Lastly, after 32 years at Oxnard College, Jim Rivera will be retiring in May of this year. His hard work and dedication to our campus has not gone unnoticed.

Each of these individuals have played a key role in our college and will truly be missed. Enjoy your retirement.
