

# CLASSIFIED SENATE NEWSLETTER

## Welcome to Fiscal Year 24

Welcome Classified Professionals to July's edition of our Classified Senate Newsletter. This past year brought many changes, some more exciting than others, but we made it through another year. We would like to thank everyone that attended the Classified Senate Retreat. We hope you enjoyed your time and learned a thing or two. During our retreat, we took some time to acknowledge our outgoing board. Amparo Medina served as President for Classified Senate and worked tirelessly to amplify our voices and make sure we were included in the decision-making process across campus. She will serve our senate as Past President and assist our new President as he takes on his new role. Amanda Burwick, who served as our Director of Fundraising, has recently been promoted to Grant Director for Proyecto Puentes. From the rest of the board, we thank you both for your dedication to Classified. With that being said, we would like to welcome our Classified Board:

### WELCOME OUR NEW CLASSIFIED SENATE BOARD MEMBERS

**SERGIO ARANA,

**MARCOS RODRIGUEZ,

**NORMA MARTINEZ,

## Basic Needs Update

One of the requests made for our retreat was to bring in basic needs items in exchange for your lunch ticket. We received many donations and would like to thank you for your help. We received a thank you note from Rosa Reyes Orduna that I would like to share below:

**"I would like to express my sincerest gratitude for your generous and thoughtful support of our students. It's been great to have different options/varieties available —supporting their body integrity & autonomy. Items provided have been continuously distributed since received and students have expressed gratefulness. Your donations made an immediate positive impact and continue to do so!"**

Lastly, we would like to welcome our newest Classified Professionals:
