

OXNARD COLLEGE MISSION STATEMENT

Oxnard College is a learning-centered institution that embraces academic excellence by providing multiple pathways to student success.

Classified Senate

Authority

In the case of the classified staff, Title 5, Section 51023.5 specifically requires that the District’s Board of Trustees “adopt policies and procedures that provide district and college staff the opportunity to participate effectively in district and college governance.” In accordance with law and district policy, Oxnard College promotes, supports and encourages classified staff participation in campus and district committees, and provides classified staff with opportunities to participate in formulation and development of policies of procedures. To that end, Oxnard College consults collegially with selected representatives of classified staff. Consultation includes all areas “which will have a significant effect on staff,” but which exist outside the collective bargaining arena. This includes, but is not limited to, areas that affect staff environment and morale. As specified in collective bargaining contracts between the district and classified staff, the college actively endorses classified membership on contractually mandated committees.

Purpose

The purpose of this organization shall be to address the non-union concerns of the classified staff and, in spirit of shared governance, work with management in the implementation and development of Oxnard College goals and objectives.

Membership

All regular, permanent classified staff, including classified supervisors and confidential classified, are members of the Classified Senate.
