WE HAVE MADE IT ANOTHER YEAR!

Hello Condors and welcome to May's edition of our Classified Senate Newsletter. This year has gone by fast, but not without keeping all of us on our toes, busy, and focused on our students' success. As we get ready for graduation and to wrap up this school year, I'd like to share some amazing classified updates with you all.

We would like to congratulate our Director of Fundraising, Amanda Burwick for being named OC's Classified Employee of the Year! Amanda is currently our Placement Project Specialist and the Career Center and also serves as a tri-chair for CUDS. "Amanda has been instrumental in helping students become job-ready and further their career goals." -Ariane Perez. She has also done an amazing job during our numerous fundraiser events.

Congratulations to Mike Perez, our new Grounds Supervisor and Peter Tryk, our new M&O Supervisor. Both have been recently promoted to their new roles.

A Congratulations is also in order for Edlin Marquez who had a lot to celebrate in December. She earned her Master's Degree in Educational Counseling from the University of LaVerne and got married. We would like to wish you all the happiness and love!

CONGRATULATIONS

Laura Knight wanted to share she is grateful to work with people whose common goal is to serve students and make dreams come true. She is also grateful for our Union Reps, knowing they have done so much behind the scenes in service to us!
