**About the CCCAA**

The California Community College Athletic Association (CCCAA) is the governing body providing oversight of intercollegiate athletics within the California Community College System. The single largest educational system in the world, with attendance in excess of over 2.6 million students annually, the California Community College system serves one-third of all community college students in the United States. The CCCAA establishes the rules and regulations to administer the intercollegiate athletic activities of the nearly 27,000 student athletes attending California's community colleges.
