About the CPAT

Our mission for the Ventura County Fire Chiefs Association is to provide physically qualified firefighter candidates, utilizing the correct application of all components of the International Association Fire Fighters (IAFF) and the International Association Of Fire Chiefs (IAFC) Candidate Physical Ability Test (CPAT). As the first permanent CPAT test site in California, we are certified and currently monitored by the California Joint Apprenticeship Committee (C-JAC). C-JAC issues certificates of completion to all candidates that successfully complete our CPAT. The test consists of eight separate job related tasks that are performed in a continuous sequence. The candidate has 10 minutes and 20 seconds to complete all eight tasks.

NOTE: Dates may be added or subtracted as necessary, depending on demand. A minimum of sixty (60) candidates is required to conduct a test; tests that do not meet the established minimum may be cancelled. A CPAT test date may also be cancelled due to weather factors. Candidates assigned to a test that is rescheduled will be notified as far in advance as possible and will be automatically re-assigned to the next scheduled test. REFUNDS WILL NOT BE OFFERED.

How and When to apply:

An application is provided for you on the reverse side. You may complete this form and submit it by mail, fax, or personal delivery. Applicants must be 18 years of age and must show photo identification (i.e. drivers license, a government, school, or military ID, or a passport, or visa). Candidates without a photo ID will not be allowed to take the CPAT. **Apply Early.** Applications are accepted in the order they are received. Applications are not accepted until the fee has been paid. There is a maximum of 110 candidates per test day. So select your test date, orientation, and Pre-Test(s), fill out the application and submit it along with your fee to reserve a slot.

PRE-TEST PREPARATION PROGRAM

The International standards of the Candidate Physical Ability Test pre-test program requires that Oxnard College CPAT ensure that all candidates have the opportunity to attend at least two (2) orientation sessions within 8 weeks of taking the CPAT. Additionally, the pre-test program offers each candidate the opportunity to perform two (2) timed practice runs within 30 days prior to the CPAT. When scheduled early, each test has ample time for the pre-test program.

Orientations – included when you pay for your test

- All candidates have the opportunity to attend at least two (2) orientation sessions within the 8 weeks of taking the CPAT.
- During the orientation, you will receive an overview and the opportunity to attempt each of the eight (8) events and determine where you may need strengthening.
- You will be given a set of exercises to help physically prepare for the CPAT.
- **If you elect not to participate in the available orientation sessions, you will be required to sign a waiver acknowledging that the orientation was offered.**

Practice Sessions - \$25 per session

- All candidates are offered the opportunity to practice the CPAT events at least twice before taking the CPAT. Practice sessions include:
 - ❖ Timed practice runs to evaluate your level of preparedness.
 - ❖ Supervised practice on the CPAT course with a proctor designed to meet your needs.
 - ❖ Techniques, evaluation and conditioning advice from our CPAT proctors

TEST

- You will be notified by email of the confirmation of your orientation, practice and test schedule.
- Please report 30 minutes before your scheduled event.

Miscellaneous:

Certificates of completion will be issued to each successful candidate by C-JAC. There is no established time for how long the certification is valid. Contact the Department(s) you are interested in to identify their certification requirements. Nationwide the cut off dates range from 120 days up to one year. An Orientation/Test preparation Guide will be given to each candidate at the orientation. If you do not attend the orientation, the Guide is available at the CPAT office. Attending the orientation and using the guide may improve your chances of being successful on the test.

Dress code is strictly enforced. Per CPAT regulations, the dress code consists of long pants, footwear with no open heel or toe, and no loose or restrictive jewelry. Candidates must be in proper CPAT attire immediately before testing; lack of proper dress code results in an automatic "FAIL" from the candidate's assigned Lead Proctor.
