Oxnard College Regional Fire Academy/Technology

Regional Instructor Orientation (RIO)

September 22, 2015 8am-5pm at:

Oxnard College Regional Fire Academy/Technology
104 Durley Ave
Camarillo, CA 93010

RIO is required as part of the Instructor Methodology for fire service personnel interested in becoming a Primary Registered Instructor for State Fire Training courses. This should be the last class potential instructors take since they must become registered with State Fire Training within one (1) year of attendance.

Instructor: Mike Garcia & Lynne Gibboney

Topics include:

- An overview of State Fire Training and the tools to navigate the system
- Information on Primary Instructor responsibilities, accountability and the registration process
- An introduction to the State Fire Training Procedures Manual
- Procedures for requesting and returning a CFSTES or FSTEP Class
- Assistance on how to become a Registered Instructor

Questions: email michael_ketaily@vcccd.edu

COST: $170

REGISTRATION INSTRUCTIONS: Complete the form below, deliver or mail with $170 to:

(We do not accept cash. Personal checks, money orders or cashiers check only)
