The Transfer Center offers activities, resources, and support services designed to facilitate the smooth transition of Oxnard College students to the four-year college or university.

We welcome you to the Transfer Center during the first week of any new term to get specific dates and locations of services. You can meet with a counselor at least twice a semester to plan, create, and complete your transfer goals. Find out how to take advantage of our broad range of services.

The Oxnard College Transfer Center is located in the Counseling Center, upstairs in the Student Services & Administration building across from the gym, and next to the Child Development Center on Simpson Drive.

Students are provided with specific information and dates that will support their efforts to transfer to a four-year university. Transfer Counselors and University Reps are available to meet with students to confirm educational planning that promotes successful transfer opportunities.

Once you have enrolled and gone through the Matriculation Process, meet with an Oxnard College (OC) Counselor and develop a transfer educational plan. Inquire about the appropriate CSU-GE or IGETC general education requirements and the lower division courses required for your major. Take appropriate Math, English and units to complete transfer goals in a timely manner.

If you have not identified a major, meet with a Counselor and enroll in PG R101 "Career Development and Life Plan" or PG R102 "College Success" to help you explore major and career options.

Utilize the Transfer Center. Attend transfer fairs, go on college tours, meet college representatives, and attend the transfer workshops.

Talk to Financial Aid Advisor at OC. Apply for financial aid by filling out the “Free Application for Federal Student Aid” (FAFSA) www.fafsa.org by March 2nd.

Know the University Admissions Requirements. Your counselor can help you understand these requirements. Follow the appropriate CSU-GE or IGETC general education requirements. Find out the minimum GPA, etc. Visit www.assist.org for information on articulation agreements and majors.

After you have applied for admission to a College or University, request to have the OC Admissions and Records Office certify on your transcripts the courses you have completed to satisfy CSU general education or American Institutions requirements (usually during your last semester at OC). Paperwork is submitted when meeting with a counselor.
