Working to meet the educational needs of Veterans.

Welcome to the Oxnard College Veteran’s Educational Transition (V.E.T.) Center. Our goal is to provide you with the support and services that will lead to an enjoyable and successful educational experience on our campus.

The Veterans’ Readjustment Act of 1966 (PL 89-358) provides educational assistance for veterans who served on active duty for a period of more than 180 days.

The monthly basic educational assistance allowance for training may be paid on a full-time (12 units), three quarter-time (9 units), or half-time (6 units) basis. Veterans may also qualify for financial aid.

As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them.

~John Fitzgerald Kennedy
