ANTHROPOLOGY

The Anthropology program at Oxnard College offers lower
division courses in biological anthropology, cultural anthropology,
linguistics, archaeology and other areas of focus in anthropology,
such as gender, prehistory, cultural history and cross cultural
communication. Anthropology is an excellent transfer major,
as it is the general study of our species, Homo sapiens, human
beings. These courses are widely accepted at four year institutions
for a bachelor’s degree in anthropology, as well as for several
other 4 year degrees. Anthropology’s central questions have to
do with where humans came from, how they got where they are
today, where they are going, what their nature is and how cultures
vary. Anthropology students develop critical thinking skills,
communication skills for a global setting, information literacy,
ethics and aesthetic awareness, as anthropology is a holistic field.

Students who have completed courses or A.A. degrees in
anthropology have transferred to Stanford, UCLA, UCSD, UC
Berkeley, UC Davis, UCSD, UC Irvine, UC Santa Cruz, USC,
CSU Chico, CSU Northridge, CSU Channel Islands, SUNY, New
York University, Pepperdine and many other universities.
