EXPECTED OUTCOMES

- A venue for the College community to discuss planning and resources related to issues involving distance education delivery, enhancement, and student success in the distance education environment.
- A completed Distance Education Plan.
- Appropriate policies and procedures regarding the acquisition, use, and maintenance of educational technology and information management systems in regard to distance education delivery.
- A source of information for faculty, staff and management about available and appropriate educational technologies and information management systems in regard to distance education.
- A source of information to the college campus for professional development training for faculty teaching distance education, and for programs and projects that support students' development and success in distance education.
