How to log in for the first time and set up your Turnitin sections

To Set Up an Account

2. Click on Create Account.
3. Scroll down to New User.
4. Click on “Instructor.”
5. Enter your Course Information; contact Instructional Technology for OC’s account ID and password.
6. Enter your Name and e-mail address (e-mail address will be used to initiate login in the future).
7. Create a password and confirm password (this is what you will use in the future).
8. Select a reminder question.
9. Agree to terms.
10. Click Submit.
11. Either go directly to creating your class, or use the Setup Wizard which will prompt first time users.

Note: When you return to TurnItIn for future sessions, you will log in using the password that you created.

Creating a Class and Assignments

1. Once in your account, click on the big green plus sign to create a class.
2. Follow the prompts.
3. Once you do this, you will be given a course number and you will have created a course password. Give these to your students so that they can enroll themselves in the TurnItIn system.
4. Click on the class, to create view the Create an Assignment screen.
5. Click on the big green plus sign that says Create an Assignment.
6. Always open the "More Options" dialogue box when setting up an assignment.
7. Follow prompts to create the assignment.

If you have already created a class on your first session you will be able to select that class. If not, you can “create a class”.
