Modules

Here is an example of a well-structured set of class modules:

- **Syllabus information section**
  - Clearly labeled
  - Placed at the top of the list

- **Course Instructions**
  - Clearly labeled
  - Easily located by students

- **Main Course Content**
  - Broken down into easily differentiated sections
  - Can be broken up by:
    - Week
    - Chapter
    - Book Section
    - Topic
    - Etc.
