Academic Senate Preamble
To promote the educational goals of Oxnard College students and to provide a formal and effective procedure for faculty to participate in the formation of college and district policies on academic and professional matters, we, the faculty of Oxnard College, do hereby establish a representative organization, known as the Academic Senate of Oxnard College.

Orderly and representative participation by faculty in the formulation of college and district policies and a clearly defined organizational structure for such participation will contribute toward a clearer understanding of the mutual challenges and responsibilities of the faculty, administration, and the District Board of Trustees.

The Academic Senate, in cooperation with the Administration and the Board of Trustees, shall endeavor to provide quality education for the students enrolled at Oxnard College.
