Purpose

The Program Effectiveness and Planning Committee makes recommendations to the Planning and Budgeting Council on all matters related to program effectiveness and program planning. In making those recommendations, PEPC receives a Program Effectiveness Report from each program.

Members have the following responsibilities:

- Assist their departments and/or divisions in providing PEPC with each Program's PEP by mid-November of each year
- Report information from PEPC back to their division/department
- Present the views of the division/department they were chosen to represent, not solely their own views
