Appendix A: Data Definitions

Three-Year Unduplicated Degree, Certificate, Transfer Outcomes

Outcomes are mutually exclusive and are assessed in the order reported. For example, a student receiving a degree during the 3 year time frame and then transferring will only be counted as an award recipient. A student counted as a two year transfer has not received any award, has not transferred to a four year school, is not transfer ready and was not enrolled in the district or given college for Spring 2013.

Fall Cohorts:

All students with an Enrollment Status Code = 1 and ending the term with at least one class resulting in a transcript notation, excluding students who are taking ESL classes only.

Degrees and Certificates:

Student was awarded either an associate degree or certificate, other than the CSUGE or IGETC certification, between Fall 2010 and Summer 2013.

Transfer Certification:

Student was awarded either a CSUGE or IGETC certification between Fall 2010 and Summer 2013.

Four Year Transfer:

Student was identified as transferring to a four year college or university after Fall 2010 and before September 30, 2013. Students were matched to the National Student Clearinghouse.

Transfer Ready:

Student successfully completed transfer level MATH and ENGL classes and successfully completed 60 or more units prior to Summer 2013 and the last VCCCD cumulative GPA was 2.0 or better.

Two Year Transfer:

Student was identified as transferring to a two year college after Fall 2010 and before September 30, 2013. Students were matched to the National Student Clearinghouse.

Still Enrolled:

Student was enrolled (received at least one transcript notation) during the Spring 2013 or Summer 2013 term.

Not Enrolled / Unknown Progress:

Student did not graduate, become transfer ready, or enroll in Spring/Summer 2013 and was unable to be matched as a transfer student.
