Student Semester Book Loan Contract

The Book Loan Program is a service reserved for Oxnard College students currently enrolled in the course for the indicated textbook being loaned.

Terms and Condition

I understand that by signing this contract, I have agreed to return the borrowed book(s) to the LLRC in the condition borrowed. Failure to return the book(s) by the last day of finals week, or in its original condition will result in late charges and a hold on my student account. The daily charge for a late-returned textbook(s) is \$0.50 per day per book. If the above mentioned stipulations are not met, your VCCCD transcripts will be placed on hold and I will not be able to enroll in any VCCCD courses or graduate until I meet all required obligations.
