1. CalWORKs Eligibility Statuses (SC01) included: 1 - Self-Initiated, 2 - Self-Referred, 3 - County-Referred, 4 - Exempt Participant, 6 - Post-Employment.
2. Students with 0, 1 or multiple Work Activity Statuses (SC12) will be counted once per term if reported with a valid eligibility status.
3. Enrollment records will be tracked within a district by the Student Identification Number used at the reporting CalWORKs college. If an enrollment record is found, the student will be included in the "with enrollment record" column for the reporting CalWORKs college, otherwise, the student will be included in the "without enrollment record" column.
4. Term CalWORKs Headcount With Enrollment Record: An unduplicated count of CalWORKs students for whom an enrollment record was found at the reporting college or any other college in the district.
5. Term CalWORKs Headcount Without Enrollment Record: An unduplicated count of CalWORKs students for whom an enrollment record was not found at the reporting college or any other college in the district.
6. Annual Unduplicated CalWORKs Headcount: An annual unduplicated count of CalWORKs students and grouped by those with and without enrollment record(s). A student will be included in the "with enrollment record" group if one or more enrollment records is found in any term during the year.
