TECHNOLOGY COMMITTEE

Authority
The Technology Committee derives its authority from the Oxnard College Participatory Governance/Standing, Advisory and Ad-Hoc Committees Manual in 2010 by the Academic and Classified Senates, Associated Student Government, and OC Management.

Purpose
The Technology Committee exists to meet the instructional, communication, computing, and research needs of the students, faculty, and staff of the College. The mission of the committee is to focus on the technology environment at the College and to take a proactive leadership role on technology issues.

Membership
Members are to be appointed/selected annually.

The Technology Committee membership is as follows:
Co-Chairs, Voting Members, Constituency and/or Division/Department Representatives, and Ex-Officio Members.

The Technology Committee is open to all constituents and/or division/departments of the College. The voting, however, is limited to the representatives listed above. Membership is for one year.

Goals
- To provide a collaborative venue for shared leadership determining the technology needs of the College to sustain teaching and information management.
- To plan for the incorporation of various technologies in the teaching and learning activities at the College.
- To advise the College and individuals about technological matters pertaining to teaching and learning and information management.
- To help in establishing policies and procedures that can sustain and manage the existing technology and information management infrastructure.
- To author, revise, and oversee the College’s Technology Master Plan.
