

## Earn an ASSOCIATE DEGREE for TRANSFER (ADT)

**Associate in Arts for Transfer (AA-T)** and **Associate in Science for Transfer (AS-T)** are degrees that are designed specifically for transfer to the California State University (CSU). The degrees are the results of Senate Bill 1440, a transfer bill that required the California Community Colleges (CCC) to offer associate degrees for transfer in many of the most popular majors, and for the CSU to provide priority admission to CCC students who have earned an AA-T or AS-T degree. These degrees can be completed in 60 CSU transferable semester units (or 90 quarter units) and include coursework in general education, major preparation and electives (if needed).

Students who have completed an AA-T or AS-T and are admitted to a CSU major that has been deemed similar are guaranteed admission at junior standing, and the opportunity to complete a baccalaureate degree with 60 additional semester (or 90 quarter) units. AA-T and AS-T degrees are recognized by both the CCC and CSU systems as a measure of preparation and readiness for transfer to upper-division course work at the CSU.

To obtain an AA-T or AS-T, students must complete the following:

- Choose** an Associate in Arts for Transfer (AA-T) or Associate in Science for Transfer (AS-T) degree. AA-T or AS-T in a specific major. (See list below.)
- Sixty semester units or 90 quarter units that are **eligible for transfer** to the CSU, including *both of the following*:
  - Certified completion** of the California State University General Education-Breadth (CSU GE Breadth) pattern (see page 77 for more information); **OR** the Intersegmental General Education Transfer Curriculum (IGETC - CSU) pattern (see page 85 for more information).
  - Completion of a minimum of 18 semester units** or 27 quarter units in a major or area of emphasis as determined by the college as detailed in the Course and Program Descriptions section of the catalog. All courses in the major must be completed with a grade of "C" or better or a "P" if the course is taken on a "pass-no-pass" basis (Title 5 § 55063). Even though a "pass-no-pass" is allowed, it is recommended that students complete their major courses with a letter grade (A, B, or C).
- Earn a minimum grade point average (GPA) of 2.0** in all CSU-transferable coursework. While a minimum of 2.0 is deemed eligible for transfer into a CSU program, some majors may require a higher GPA. Please consult the assist.org website and/or get with a counselor for more information.
- Complete requirements in Residency.** For students in the Ventura County Community College District, a minimum of 12 units must be completed in residency at the college granting the degree.
- Apply for your ADT.** The ADT is not automatically awarded when you complete the requirements. Meet with a counselor to file an ADT Application for Graduation in the Counseling Office during the same semester in which you plan to finish the requirements.
