

**General Education Curriculum Subcommittee
Meeting Notes
December 14, 2011
4:00 pm
President's Conference Room**

Members present:

Carolyn Dorrance, Carolyn Inouye, Judy McArthur, Chris Mainzer, Maria Parker, Marjorie Price, Shannon Davis

I. GE Proposals: Criteria and Process - The committee will review courses for GE inclusion using the Student Learning Outcomes for the course (and compare them to the GE SLOs for the proposed GE area), course topics and objectives from the COR, Title 5 description of courses appropriate for each GE area, and the most current edition of the CSU/UC's Guiding Notes for General Education course reviewers.

II. GE Proposals:

A1 Biological Science:

ESRM R160 Introduction to Research in Natural Resource Management - **Denied**. Committee found this course to be much more major oriented than GE. ESRM R100 already fulfills the same GE area and is the prerequisite for this course so there is no advantage to the student if this course is added to GE. If Faculty want to appeal the decision, an explanation of how the course touches Title 5 area description would be required.

C1 Fine/Performing Arts

ART R160 Introduction to Digital Photography - **Denied**. Courses for C-1 should be lecture/theory based, not skills based. This course is a skills based course with a unique focus for Art majors.

ART R170 Introduction to Women in Art - **Approved** for C-1 & F. Committee recommends that SLOs be expanded to address cultural aspect of area C-1.
