

Student Perceptions Survey

Oxnard College

Collected Spring 2015

Analyzed Spring 2016

Methodology:

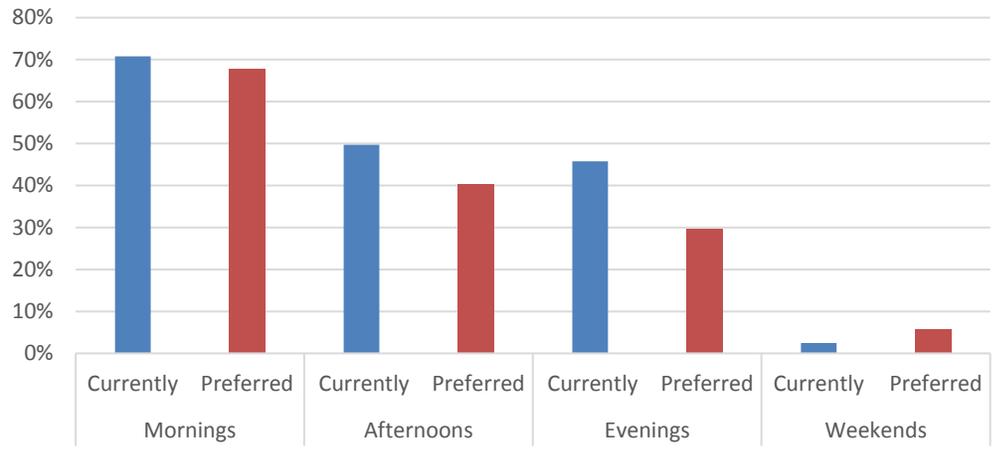

A brief word about methodology. This survey was administered online through the ClassClimate software and offered during class on paper scantron forms. Due to the survey being entirely self-report, objective data such as GPA may not be accurate.

Oxnard College had **7,129** students enrolled at the time of administration in Spring 2015. **867** students completed the survey (response rate of 12.2%).

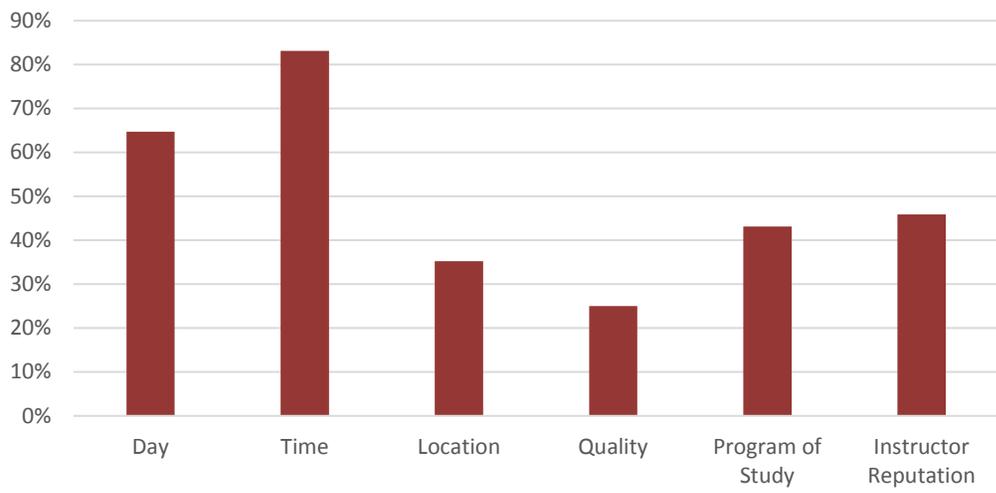

Analysis was conducted using SPSS v. 23. Some questions had a significant proportion of NA/unable to respond/no experience responses. All questions with this option were recoded for reporting only valid percents (i.e., those who responded).

Questions are re-ordered for flow of information.
