STUDENT HEALTH FEE WAIVER

The Student Health Fee can only be waived in very specific circumstances.

A mandatory health fee is charged each semester. (The amount of the fee is determined by the state of California.) This fee entitles you to the services of the Student Health Center.

In accordance with the California Education Code and Board Policy, you are required to pay a health fee, regardless of units taken, unless you meet one of the exemptions listed below pursuant to Ed Code 76355:

- ******You depend exclusively on prayer for healing in accordance with the teachings of a bona-fide religious sect, denomination or organization. Documentation of such an affiliation is required.**
- You are attending college under an approved apprenticeship training program

*** In order to use this exemption it is mandatory that the Student Health Center receive a letter on Church Letterhead signed by the Minister/Pastor explaining that you depend exclusively on prayer for healing. The letter must include your name and date of birth.

Once this letter has been received the fee will be waived. This means the student is no longer eligible to receive any services at the Health Center except in the case of an emergency.
