

Read&Write 11 Take Home Version End User Instructions

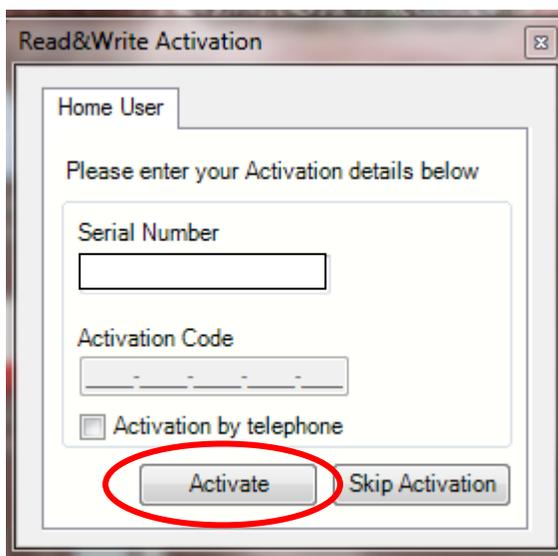

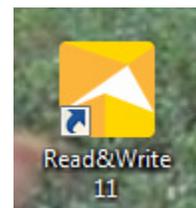

For the **Read&Write 11 Take Home Version**, a folder named **Setup.zip** is required. Once you have the **Setup.zip** folder, please follow the instructions below to extract and run the program.

1. Double click the **Setup.zip** folder that you received for the Read&Write 11 Take Home Version
2. Click **Extract all files**
3. Select a destination to extract the files –Desktop is recommended
4. Click **Extract**
5. A folder named **Setup** will be created in the location chosen in Step 3
6. The Setup folder should open automatically – if not double click to open
7. Click the **Setup.exe** (Application) file
8. The **Wise Installation Wizard** will now open
(Important: An internet connection is required)

Note: If you do not have an internet connection, please contact your institution for further information

9. When the installation completes, you will see a **Read&Write 11** icon on your desktop
10. Click on the **Read&Write 11** icon to start the program
11. The **Read&Write Activation** screen will appear, click the **Activate** button

Note: If the **Activation Code** field is empty, there is no need to enter a code. Clicking **Skip Activation** will allow 25 usages of Read&Write before the program must be activated.

If you cannot activate please contact

Texthelp Technical Support

Phone: 888-248-2479

Email: us-support@texthelp.com

12. When the activation screen verifies successful activation, click **OK**.
