EMERGENCY PROCEDURES

In case of fire or other emergency during school hours, call the Oxnard Campus police at (805) 678-5805.

After hours, call (805) 678-5805 or 911. Give your name and phone number. Describe the nature and location of the emergency. Remain in the immediate area of the emergency until the appropriate personnel arrive. Emergency procedures are posted in each classroom.

Oxnard College Mission Statement

Oxnard College is a learning-centered institution that embraces academic excellence by providing multiple pathways to student success.

Oxnard College will advance equity-focused practices, rooted in anti-racism, in our instruction, services, and operations:

The Anti-Racism Workgroup at Oxnard College seeks to be a practical, supportive body for students, staff, and faculty that upholds the College's commitment to being an anti-racist institution focused on issues of social and racial justice.

Values Statement:

We stand united in our collective commitment to equity, inclusion, and justice for all people, and state without reservations our belief that Black Lives Matter. We raise our voices in solidarity with all communities of color, partners, allies, and others who struggle for the equitable and humane treatment of all disenfranchised, under-resourced, under-represented, and under-served groups. We denounce racism, sexism, anti-LGBTQIA+, and ableism.

College Goals:

1. Identify and eliminate long-standing institutional racism at Oxnard College.
2. Foster ongoing, authentic dialogue about race, racism, gender bias, and anti-blackness.
3. Incorporate required anti-racism curriculum content into all levels of education for students.
4. Implement strategies to optimize recruitment and retention of diverse students, classified professionals, and faculty at Oxnard College.
5. Implement required ongoing campus-wide anti-racism education.

6. Implement social justice and environment justice activities in collaborations with students and local community and non-profit organizations.
7. Empowering communities of color to confront their own internalized oppression.

Organization & Management

Ventura County Community College District

The Ventura County Community College District Board of Trustees oversees three colleges: Oxnard, Ventura, and Moorpark. Each college has a president who, as chief administrative officer, is directly responsible to the District Chancellor for carrying out the policies of the District. Authority flows from the voting public to the Board of Trustees through the Chancellor to the President of each college.

The District Administration Center is located at 761 East Daily Drive, Camarillo, California, 93010. The Board typically meets at 6:00 p.m. on the second Tuesday of each month.

Oxnard College

Oxnard College is organized into three major areas of responsibilities: Academic Affairs, Student Development, and College Services.

Academic Affairs encompasses instruction, and Student Development includes all student services. A Vice President who reports directly to the college President heads each division.

College Services includes Fiscal Services, Student Business Office, Payroll, Bookstore, Police Services, Publications, Switchboard and Mailroom, Maintenance & Operations, and Technology Services.

Management Responsibilities & Job Descriptions

Management personnel at Oxnard College are charged with administrative responsibility for the operation of all facets of the college. Oxnard College managers, from the President through Deans, are listed below.

President

Mr. Luis Sánchez, JD, LLM

Vice President of Business Services

Mr. Christopher Renbarger, MA, MBA

Vice President of Academic Affairs

Dr. Art Sandford

Vice President of Student Development

Dr. Oscar Cobián

Dean of Career Education

Vacant

Dean of Library and Liberal Studies

Dr. Luis González

Dean of Mathematics, Science, Health, PE, and Athletics

Dr. Carolyn Inouye

Dean of Student Success and Support

Dr. Leah Alarcon

Dean of Institutional Effectiveness

Dr. Keller Magenau

Dean of Public Safety

Mr. Matthew Jewett

Director of Maintenance & Operations

Mr. Bob Sube

Director of Information Technology Services

Mr. Michael Alexander

Administrative Committees

Oxnard College's committees provide for extensive participation of faculty, as well as students, classified professionals, and managers in the development and review of college-wide policies and procedures. Standing committees meet on a regular basis throughout the academic year; they may be supplemented by ad hoc committees appointed to respond to specific needs and disbanded after those needs have been met. More information can be found in the Participatory Governance Manual. <https://www.oxnardcollege.edu/faculty-staff/academic-senate/campus-committees>

College Operational Committees

- President's Cabinet
- Deans' Council
- Department Chairs' Council
- Student Services Leadership Council

Participatory Governance Committees

- Academic Senate
- Budget Committee
- Campus Use, Development and Safety Committee (CUDS)
- Classified Senate
- College Planning Council (CPC)
- Curriculum Committee
- Professional Development Committee (PDC)
- Program Review Committee (PRC)
- Student Equity and Success Committee (SESC)

Standing Committees

- Distance Education Committee
- Library & Learning Resources Advisory Committee

Ad hoc Committees

- Accreditation Work Group
- Anti-Racism Work Group
- EOPS/CARE Advisory Committee
- Financial Aid Appeals Committee
- General Education Committee (Curriculum sub-committee)
- Grievance Committee
- Graduation Committee
- Multicultural Week Committee
- STEM Advisory Committee
- Various CE Advisory Committees—Check with your Dept. Chair

College committees are important to the collegial governance of the college. Every full-time faculty member is encouraged to participate on at least one college committee annually. All part-time faculty are welcome to participate as well.

Senates & Unions

Employee Organizations

The [Academic Senate](#) of Oxnard College represents all faculty, ensuring effective participation in the formation of District policies on academic and professional matters. The Senate provides the conduit for faculty governance on campus and in the District in the spirit of participatory governance.

On campus, each department is represented in the Academic Senate. The Academic Senate President represents the college faculty on the Chancellor's Consultation Council. Statewide, the Academic Senate for the California Community Colleges in California is a dynamic organization that has taken the leadership in many areas, such as articulation, matriculation, student competency requirements, and other issues raised at its statewide meetings. They meet the 2nd and 4th Monday of every month at 2 P.M. (See schedule [here](#).) Agendas, support documents and approved minutes will be posted on [BoardDocs](#), which is publicly available.

The [Classified Senate](#) of Oxnard College represents all classified employees including classified supervisors and confidential classified in matters outside the scope of collective bargaining. The Classified Senate consults collegially through the participatory governance process in academic and professional matters as outlined under the classified 9+1. The executive board, which includes a president, first vice president, second vice president, secretary and treasurer, meets the second and fourth Tuesday of each month.

Other groups deal with employee concerns that relate to hours, wages and working conditions. The faculty is represented by the **Ventura County Federation of College Teachers, AFT Local 1828, AFL-CIO**. Classified employees are represented by the **Service Employees International Union (SEIU), Local 99, AFL-CIO**.

OXNARD
COLLEGE

FACULTY

Faculty Code of Ethics

*The Senate approved the following on **January 29, 2008***

The Oxnard College Academic Senate adopts the American Association of University Professors (AAUP) Statement on Professional Ethics, as printed below:

Professors, guided by a deep conviction of the worth and dignity of the advancement of knowledge, recognize the special responsibilities placed upon them. Their primary responsibility to their subject is to seek and to state the truth as they see it. To this end professors devote their energies to developing and improving their scholarly competence. They accept the obligation to exercise critical self-discipline and judgment in using, extending, and transmitting knowledge. They practice intellectual honesty. Although professors may follow subsidiary interests, these interests must never seriously hamper or compromise their freedom of inquiry.

As teachers, professors encourage the free pursuit of learning in their students. They hold before them the best scholarly and ethical standards of their discipline. Professors demonstrate respect for students as individuals and adhere to their proper roles as intellectual guides and counselors.

Professors make every reasonable effort to foster honest academic conduct and to ensure that their evaluations of students reflect each student's true merit. They respect the confidential nature of the relationship between professor and student. They avoid any exploitation, harassment, or discriminatory treatment of students. They acknowledge significant academic or scholarly assistance from them. They protect their academic freedom.

As colleagues, professors have obligations that derive from common membership in the community of scholars. Professors do not discriminate against or harass colleagues. They respect and defend the free inquiry of associates, even when it leads to findings and conclusions that differ from their own. Professors acknowledge academic debt and strive to be objective in their professional judgment of colleagues. Professors accept their share of faculty responsibilities for the governance of their institution.

As members of an academic institution, professors seek above all to be effective teachers and scholars. Although professors observe the stated regulations of the institution, provided the regulations do not contravene academic freedom, they maintain their right to criticize and seek revision. Professors give due regard to their paramount responsibilities within their institution in determining the amount and character of work done outside it. When considering the interruption or termination of their service, professors recognize the effect of their decision upon the program of the institution and give due notice of their intentions.

As members of their community, professors have the rights and obligations of other citizens. Professors measure the urgency of these obligations in the light of their responsibilities to their subject, to their students, to their profession, and to their institution. When they speak or act as private persons, they avoid creating the impression of speaking or acting for their college or university. As citizens engaged in a profession that depends upon freedom for its health and integrity, professors have a particular obligation to promote conditions of free inquiry and to further public understanding of academic freedom.

General Responsibilities

The instructor's primary responsibility is the education of the students of Oxnard College. This alone will test the ingenuity, creativeness, sensitivity, academic knowledge, and professional skill of every instructor.

Specific Duties

The duties and responsibilities of instructors, in addition to their main and overriding function, are as follows:

- Fulfill, under appropriate supervision, all legal requirements of the District for employment and performance of duties.
- Keep up to date in subject field, learning/teaching strategies, and professional skills through in-service training and other means of professional growth. Establish goals and/or objectives for classes, plan and organize instruction and methods of evaluation, and administer final examinations.
- Assist in the student activity program by accepting assignments as advisors, sponsors, or supervisors of student organizations and events.
- Provide a syllabus for each class that includes (among other things): title of course, catalog description of course, instructor contact information, schedule of classes and due dates for assignments and exams, goals and/or objectives, course content, attendance expectations, examinations, grading criteria, and Student Learning Outcomes (SLO's).
- Keep appropriate records on student progress and assign grades based on stated criteria.
- Offer suggestions for the improvement of instruction and initiate curriculum development.
- Participate in the hiring and evaluation of faculty peers.
- Make recommendations for textbooks, supplementary learning materials, equipment, and supplies in assigned courses.
- Recommend the selection of library books, reference materials, and periodicals for student use in the library.
- Submit required reports, such as attendance accounting reports, grades, scholastic checks, and others as assigned. Preparation and grading for assigned classes, including submission of grades/positive attendance hours within two working days after finals and timely submission of census data.
- Maintain regularly scheduled office hours, as required.
- Observe, support, and enforce the regulations, policies, and programs of Oxnard College as published and announced.
- Attend assigned committee meetings, subject-field meetings, division meetings, and general faculty meetings.
- Participate in the development and functioning of Oxnard College by suggesting improvements in its policies and procedures through appropriate channels.
- Provide for the development of course outlines and curriculum content in assigned classes. Conduct assigned classes in accordance with established course outlines.
- Stimulate thought and inquiry in classroom activities and work with colleagues to improve effectiveness of instruction.

- Perform other duties, as assigned.
- Faculty have the responsibility to inspect and ensure the functionality of the classroom and its equipment, and to report any needed maintenance to the Department Chair and/or Dean or OC Help Desk.

Counselors

General Responsibilities

Counselors are responsible for assisting students in choosing and reaching their academic and occupational goals, helping them in personal growth, and supporting their overall success.

Specific Duties

- Provide educational, career, and personal counseling services through individual conferences with students. Assist students in the interpretation of their assessment abilities and in the selection of appropriate courses of study.
- Conduct group counseling and guidance sessions, as needed.
- Assist in the development and dissemination of educational and career information.
- Assist in the input for development and administration of the college testing program and in assessing the abilities of students.
- Serve as liaison persons between assigned high schools and Oxnard College, in cooperation with the appropriate manager.
- Assist in the input for institutional research related to the counseling program, as well as student performance.
- Work closely with faculty and divisional deans on problems of individual students.
- Assist in locating and serving students in need of financial aid.
- Serve as resource persons to the Office of Student Learning, divisional deans, and faculty in the development of curricula and the instructional schedule. Keep informed about the current educational offerings of Oxnard College and assist in planning the suggested curricula section of the college catalog.
- Maintain information regarding careers requiring two years of college and advise on occupational programs.
- Assist in orienting new students to Oxnard College and provide educational planning.
- Keep informed of college policies and developments through attendance at divisional and advisory meetings.
- Perform other duties as assigned.

Counseling faculty can support instructional faculty in the following ways during the semester:

- Provide class visits to discuss campus resources, available services, help students understand the role of the counselor (including to discuss barriers that make success difficult), and invite students to visit counseling if they are having difficulties or need help planning their course of study.
- Early Alert—If you notice a student (or students) who are getting behind early in the semester (due to poor attendance, bad grades, inattention, etc.), communicate with the Counseling Department and we will meet with the student, try to mitigate the circumstances and create an action plan for success.
- Meet with a student before they drop the class to ensure the student is aware of potential consequences (i.e., financial aid requirements, academic progress issues, probation, etc.).
- Assist students with transfer information.

General Responsibilities

In accordance with Article 13.1 A. of the Agreement between the VCCCD and AFT Local 1828, department chairs are selected by secret ballot by the department members present at the advertised department meeting, subject to approval by the College President.

Specific Duties

The department chair shall provide leadership to the department and shall assist the dean/immediate supervisor in duties such as:

- Recruitment, selection and orientation of the new faculty who will be assigned to the department.
- Development of department instructional schedule.
- Development and revision of curriculum including course outlines, and course and catalog descriptions, and corresponding student learning outcomes and assessments.
- Evaluation of faculty in the department.
- Development and conducting of department meetings, and preparation and distribution of minutes of such meetings.
- Communications with students, faculty and other employees.
- Maintenance and improvement of facilities, equipment, and supplies.
- Representation of and liaison for the department within the college.
- Attend monthly Department Chair Meetings.
- Other duties as determined jointly by the contract faculty in the department and dean/immediate supervisor, which are reasonably related to the needs of the department and the college.

Full-Time Certificated Employees

Abram, Michael W., Professor
Biology 2004

Ainsworth, Alan, Professor
Air Conditioning 2008

Alarcon, Leah, Dean

OXNARD
COLLEGE

FACULTY POLICIES

Faculty Policies

Absence from Duty

The Collective Bargaining Agreement (CBA) between the VCCCD and AFT Local 1828 describes District policies governing absence from duty for certificated personnel. Faculty must report all absences from all classes, whether in person or online, to their division dean. After 5:00 p.m., instructors should call the reception desk at (805) 678-5800 if they have an emergency that will prevent them from teaching their assigned class that evening. If you are going to be absent, please contact your division office to report your absence and to discuss the status of your class. (See Substitute Procedures.) Faculty are not permitted arrange their own substitute instructors without the approval of their dean. Faculty are not permitted to assign online work to their students in lieu of in-person instruction without the approval of their dean. Faculty are not permitted to have a guest speaker "teach" their class in their absence.

Academic Freedom

The College and the District recognize instructors' rights to academic freedom in discussing subjects in the classroom and in scholarly research and publishing. The District's policy on academic freedom can be found here:

http://www.vcccd.edu/board_of_trustees/policies_and_procedures.shtml

- ▶ Go to the [Policies/Procedures](#) link for the VCCCD Board Policy Manual
- ▶ Click on **Chapter 4 Academic Affairs** and then click **BP4030 ACADEMIC FREEDOM**

Academic Freedom

(a) Academic employees are entitled to freedom in the classroom in discussing their subject, but they should be conscientious regarding teaching subject matter that has no relation to their subject.

(b) Academic employees are entitled to full freedom in research and in the publication of results, subject to the adequate performance of their other academic duties, but research for pecuniary return should be based upon an understanding with the authorities of the institution.

(c) Academic employees are citizens, members of a learned profession, and officers of an educational institution. When they speak or write as citizens, they should be free from institutional censorship or discipline, but their special position in the community imposes special obligations. As scholars and educational officers, they should remember that the public may judge their profession and institution by their utterances. Hence, they should at all times be accurate, should show respect for the opinions of others, and indicate that they are not speaking for the institution.

It is the policy of VCCCD that all academic employees, regardless of their employment status, should enjoy the privileges and exercise the responsibilities inherent in academic freedom as defined by the AAUP statement. In addition, all VCCCD employees enjoy the same protection and responsibilities within the context of their obligations. Furthermore, faculty tenure constitutes the strongest procedural safeguard of academic freedom and individual responsibility, and as such, is essential for the maintenance of intellectual liberty and high standards in teaching and scholarship.

Animals on Campus

Per Board Policy 3503, animals are not permitted on VCCCD facilities with the following two exceptions:

- Animals may enter facilities approved by the College President for appropriate educational programs.
- Animals may be in facilities for use as service animals for qualified individuals with disabilities. The District is committed to ensuring that qualified individuals with disabilities can participate in and benefit from District services, programs and activities, and that the District does not discriminate based on disability.

Attendance Reporting & Accounting

Instructions related to student record keeping, including attendance reporting and accounting and grade submission are included in the back of this Faculty Handbook. Please watch your email for this important information.

Enrollment activities are generally confusing under the best of circumstances so every effort should be made to keep an accurate record of who is attending classes and who is enrolled. Ideally, the two sets of records will correspond; if they do not, please identify discrepancies and take appropriate action. Please check the Faculty Portal to verify if a student is active on the roster (RE, RW, RL in status column - D code indicates student is inactive).

Students adding a class should be given an add code. Instructors are encouraged to accept students as long as the class capacity has not been reached with students actively enrolled. A student who misses the first day of scheduled class and has not contacted the instructor should be dropped as a "no show" to make room for students wanting to add. If you have students on the waitlist and they are no shows, they should be dropped first to avoid them taking a seat from a student that is present.

Faculty should check their course roster online every day during the first three weeks of class. Only students who are officially registered are allowed to be in class. It is the faculty member's responsibility to drop all no-shows prior to the census date.

The *Oxnard College General Catalog* states, "Absence for any reason does not relieve the student from the responsibility of completing all class requirements. It is also the responsibility of students . . . to become aware of the attendance and absence policies of the instructor for each class in which they are enrolled.

When a student's absence exceeds in number 1/9 of the total class contact hours for the session (e.g., absence from a semester-long class equal to twice the number of hours the class meets in one week), the instructor may drop such student from the class and record a grade in accordance with the policy for dropping a course."

Children on Campus

Per Board Policy and Administrative Procedure 3504, all children must be accompanied by an adult while on campus, unless enrolled in a college sponsored program or activity. Children are

not allowed in the classroom or in the worksite and are not to be left unattended in any campus facility. Children may not be present at an employee's worksite.

Only enrolled students may be present in classrooms or lab facilities. Children may not attend class, or class activities such as field trips, along with enrolled students.

Children may not be present at an employee's work site during a staff member's assigned work hours. This does not preclude short visits when the child is accompanied by an adult.

College employees must advise students that it is a violation of college policy to allow children in the classroom. Students who do not comply with a request to remove dependent children from class will be dealt with in accordance with the Standards of Student Conduct and Disciplinary Action.

College employees and students are not allowed to leave unattended children on campus. Staff or students who observe children who appear to be unattended should contact Campus Police. Campus Police staff will handle the matter in accordance with appropriate State of California education and penal codes.

Computer & Network Use

(Administrative Procedure 3720, addressing Computer and Network Use, as approved by the Board in August 2009. Security Policy BP 3721. <https://go.boarddocs.com/ca/vcccd/Board.nsf/Public?open&id=policies#>

In keeping with its mission, the District provides computing resources to members of the District community. The computers, networks, and computing facilities made available by the District for students, faculty, and staff use are the property of the Ventura County Community College District, and are provided for the completion of academic requirements, scholarship, and District business. Use of these resources is a privilege, and may not be used by any person without the proper authorization of the District.

This procedure applies to all District students, faculty, staff, and to others granted use of District information resources. This procedure refers to all District information resources whether individually controlled or shared, stand-alone or networked. It applies to all computer and computer communication facilities owned, leased, operated, or contracted by the District. This includes desktop computers, laptop computers, servers, and associated peripherals, software and information resources, regardless of whether used for administration, research, teaching or other purposes.

The principal concern of this responsible use policy is the effective and efficient use of information technology resources. This policy is intended to ensure:

- 1) The integrity, reliability, and good performance of College resources;
- 2) The resource-user community operates according to established policies and applicable laws;
- 3) These resources are used for their intended purposes; and
- 4) Appropriate measures are in place to assure the administrative procedure is honored.

This administrative procedure is intended to promote and encourage responsible use while minimizing the potential for misuse, and avoiding imposition of broad-based restrictions on all users.

This administrative procedure is not intended to prevent or prohibit the sanctioned use of campus resources as required to meet Oxnard College core values, mission and academic and administrative purposes.

The above is intended a summation of VCCCD Computer and Network Use Agreement. The entire administrative procedure may be viewed on-line at:

http://www.vcccd.edu/departments/information_technology/agreement.shtml

Additional information on this policy may be obtained from the District Information Technology Office at (805) 652-7777.

Course Syllabus

Every course, credit or noncredit, must have a course syllabus, and this syllabus must be on file with your division office by the end of the first week of the semester or term.

General Considerations:

- ◆ **AVOID SHOUTING AT YOUR STUDENTS!!!** (And use proper capitalization and punctuation.)
- ◆ Avoid needless, repetitive, and recurrent redundancies.
- ◆ Don't avoid relevant material that could be considered controversial, provocative or disturbing; but do inform students of the nature of readings, films, discussions that they might not expect to encounter in your course.
- ◆ Endeavor **to welcome, to motivate** and **to include** -- not to ignore, threaten or exclude.

The course syllabus provided to students at the beginning of the semester should include (this is not an exhaustive list):

- Your name and contact information and communication expectations
- Grading policy and breakdown of grades,
- Required textbooks and materials,
- Examination schedule including the date and time of the final exam,
- Schedule of assignments and activities,
- Course content, objectives and Student Learning Outcomes
- Office hours or other availability for consultation, such as email,
- Department Chair, Dean and Division Office Contact Information
- Classroom comportment expectations,
- Online etiquette,
- Policy on plagiarism,
- Policy on cellphone use,
- Policy on attendance and participation,
- Policy on late work or missed exams or quizzes
- Disabilities Accommodation statement,
- List of student resources such as Financial Aid, EAC, Counseling, Condor Care, and EOPS.

- List of important registration dates (e.g., last day to drop for a full refund; last day to drop with a W, etc.)

Office hours (for full-time faculty) need to be listed on the syllabus, and they should correspond to the hours and location provided to the division office.

All course syllabi must also include the Student Learning Outcomes associated with each course. All current course SLOs can be found in both [eLumen](#) and on the Course Outline of Record (COR) in CourseLeaf.

Faculty must submit a copy of their syllabi electronically for each course to their division office by the end of the first week of class. This allows the College to remain compliant with articulation and accreditation requirements. In addition, in case of a student complaint or grievance, the course syllabus may be used as evidence. Further, it is not uncommon for students to request copies of course syllabi, for the purposes of satisfying an undergraduate requirement at a four-year institution, several years after they have completed the course.

Curriculum Development & Evaluation

For complete information, forms, and guidance in curriculum development please go to the Oxnard College Website at [Curriculum Forms & Information](#).
(<https://www.oxnardcollege.edu/committees/curriculum-committee>)

Curriculum development, review, and keeping course outlines and programs current and compliant are primary responsibilities of the College faculty and may be included as one of the instruction-related student support service activities (IRSSA) required in the VCCCD/AFT CBA for full-time instructors. Students, faculty, administrators, advisory committees or members of the community may make suggestions for new courses or modifications to existing courses; however, a member of the College faculty must prepare and present any new or modified course outlines of record (COR's).

The Department, the Curriculum Committee and the District Governing Board must approve all new and revised courses before they can be offered.

The course outline of record (COR) is a document with defined legal standing that plays a critical role in the curriculum of the California community colleges. The COR lays out the expected content, objectives, and student learning outcomes for a course for use by all faculty members who teach the course.

Requirements and standards for the COR appear in Title 5 regulations, in the California Community College Chancellor's Office's (CCCCO) Program and Course Approval Handbook (PCAH), and in the Accrediting Commission for Community and Junior Colleges (ACCJC) accreditation standards. The Academic Senate for California Community Colleges (ASCCC) also produces a document titled The Course Outline of Reference: A Curriculum Reference Guide, which serves as a guide for faculty developing and modifying curriculum. This guide provides examples and best practices for creating model CORs that demonstrate the rigor established by Education Code, Title 5 regulations, and other external entities. Copies of these documents should be reviewed before beginning the development of a course.

Since the COR is used as the basis for articulation agreements, transferable courses may also need to align with C-ID descriptors, align with comparable courses in majors at the CSU and/or UC,

and/or meet the requirements outlined in the University of California Transfer Course Agreement (UC TCA) in order to provide credit at the UC.

With few exceptions, General Education courses are expected to articulate at the baccalaureate level in order to be associate degree appropriate courses. The faculty member preparing a proposal should be prepared to support such articulation possibilities by identifying comparable lower division courses at several CSU and/or UC campuses. Both the CSU and UC produce handbooks that address their requirements for courses proposed for general education. Faculty members developing new GE courses or modifying existing GE courses may wish to consult with Shannon Davis, College Articulation Officer, to ensure that the new course will meet CSU GE, UC TCA, and/or IGETC standards and any modifications being made will not affect existing articulation.

All new courses must be submitted in CIM by the Curriculum Committee's established deadlines, approved by the Department, the Curriculum Committee and the District Governing Board and submitted to the CCCCCO for chaptering and assignment of a unique control number before they can be offered. Courses in career education fields and courses that are not transferable to the CSU/UC may typically be offered the fall after their approval while those that require CSU GE/UC TCA/IGETC approvals will not be ready to be offered for two years. Modified courses do not require submission to the Board unless there is a change that will generate a new control number.

All courses and programs must be reviewed and updated every five years at a minimum. Courses and programs in career education must be reviewed and updated at least every two years. This review includes examining their relevance (need), appropriateness to mission, adequacy of resources for continuing to offer the course/program, achievement of learning outcomes, compliance, and currency.

Distance Education

Policy Guidelines & Regular Effective Contact

For more detailed information regarding teaching online, see the Distance Education Handbook at [Distance Education](#):

(<https://www.oxnardcollege.edu/committees/curriculum-committee/distance-education>)

Each instructor is required to drop students who fail to attend the first meeting of a class (unless the student has made prior arrangements with that instructor) and may drop students who arrive late at the first meeting of a class or who fail to attend the second meeting if they have not made prior arrangements with that instructor.

Each instructor is required to drop all students who become nonparticipants by the census date. After the census date and before the final drop deadline for the class, each instructor has the option of dropping students who, in his or her judgment, become inactive in class.

What This Means for Distance Education

It is essential that online and partially online (hybrid) instructors create a coherent and well-defined course drop policy and that they articulate this policy in the initial email and welcome letter sent to the students prior to the course start date as well as in the online course syllabus.

Establishing a Drop Policy

- Create a course **Check-In Procedure**, such as a discussion forum, an introductory email that students send to the class, or a self-assessment. Simply having the student login for the first day of class is not enough. **Federal guidelines designed to prevent financial aid fraud state that student logins do not count as participation.**
- State the **last day for Check-In** to occur. For example – the second or third day after the course begins.
- Require students to complete **ALL** assignments in the first learning unit by the due date.
- Be specific as to the **exact day, date and time of your drop deadline.**

Frequency & Timeliness of Interactions

- Maintain an active daily presence, particularly during the first few weeks of a course.
- Establish guidelines for frequency of contact, and define what interactions a student can expect each week and the average time commitment required of students.
- Communicate response time for student questions/inquiries and assignment feedback (e.g. 1-2 instructional days.)
- Give frequent and substantive feedback throughout the course.

Expectations for Interactions

- Specify course policy regarding frequency and timeliness of all contact initiated by the instructor in the syllabus.
- Explain course policy regarding student-initiated contact (where to post questions, assignments, etc.) in the syllabus.
- Outline and explain appropriate online behavior (netiquette) in initial course documents.
- Clarify important dates, such as assignment and assessment deadlines, not only in the beginning but also throughout the duration of the course.

Types of Regular Effective Contact

Instructor — Student Interaction:

Course announcements
Messaging via the LMS
Personalized feedback
Discussion boards
Chat/IM
Social media such as Twitter
Videoconferencing/Skype/Zoom

Student — Student Interaction:

Messaging via the LMS
Discussion boards
Chat/IM
Collaborative projects: group blogs, wikis, audio or video presentations, Zoom breakout rooms

Evaluation of Academic Employees

In compliance with the State Education Code, each full time instructor shall be evaluated at least once every six semesters, after initial evaluation during the tenure review process. After initial evaluation during the first semester of employment with the District, part time instructors shall also be evaluated at least every six semesters thereafter.

Periodic faculty evaluations are directed toward improvement of instruction through constructive, collegial feedback on job performance. The procedures and requirements for the evaluation of academic employees are set forth in the collective bargaining agreement. The criteria upon which faculty members will be evaluated (Article 12.2) are as follows:

12.2.A. Classroom Teaching Faculty

- 1) Continuing professional development in subject areas of assignment.
- 2) Current curriculum preparation for courses assigned.
- 3) Complete and timely preparation for classes taught.
- 4) Class objectives being achieved.
- 5) Class meetings held as scheduled.
- 6) Necessary administrative paperwork processed in a timely, accurate, and appropriate manner.
- 7) Colleagues and staff treated in a professional manner.
- 8) Students treated with respect and sensitivity.
- 9) Progress toward self-determined individual instructional and developmental goals.
- 10) For contract faculty only: participation in college-wide and instruction related/student support activities, in accordance with Section 5.2A(3).
- 11) For contract faculty only: participation in division and departmental activities.

12.2.B. Non-Classroom Teaching Faculty

- 1) Continuing professional development in subject areas of assignment.
- 2) Current preparation for service assignment.
- 3) Service assignment objectives being achieved.
- 4) Students treated with respect and sensitivity.
- 5) Colleagues, staff and public treated in a professional manner.
- 6) Necessary paperwork processed in a timely, accurate and appropriate manner.
- 7) Appointments and work assignments held as scheduled.
- 8) Progress toward self-determined individual work assignment and professional goals.
- 9) For contract faculty only: participation in college-wide and instruction related/student support activities, in accordance with Section 5.3D.
- 10) For contract faculty only: participation in division and departmental activities.

Field Trips & Alternate Class Sites

Faculty are encouraged to enrich the classroom experience with guided field trips. Field Trip forms are available in the **MyVCCCD** portal under "Work Flow." (This will soon be replaced by Chrome River.)

Requests for approval of field trips must be made to your division dean at least **10** business days before the activity date.

If you would like to hold class at a location other than your assigned classroom (such as the LLRC, the Marine Center, an outdoor area on campus), you must inform your division dean and post a sign on your classroom door.

Grading System

Visit the Faculty portal (<http://my.vcccd.edu>) to enter your final grades and/or positive attendance hours, check your class schedule, view/download your class roster, and enter instructor drops. Grades must be submitted within two working days of the course final.

Grades from a grading scale shall be averaged based on the point equivalencies to determine a student's grade point average. The highest grade shall receive four points, and the lowest grade shall receive 0, using the following evaluative symbols:

<i>Symbol</i>	<i>Grade</i>	<i>Points</i>
A	Excellent	4
B	Good	3
C	Satisfactory	2
D	Passing, less than satisfactory	1
F	Failing	0
P	Pass	
NP	No pass	
I	Incomplete (I, plus grade default + B, C, D, F, NP—computer generated) Note: IC does not stand for incomplete. An IC indicates they will receive a C grade if the work is not made up.	
SP	Satisfactory Progress towards completion of the course (Used for noncredit courses only and is not supplanted by any other symbol)	

Plus (+) and minus (-) grades are not used.

In addition, the following non-evaluative symbols have been administratively assigned:

RD **Report delayed** - Instructor has not posted grades

W **Withdrawal** - Student/Faculty/Administrative drops

EW Excused Withdrawal: An Excused Withdrawal (EW) is a non-evaluated symbol used to permit a student to withdraw from a course for reasons beyond their control. It may be requested by the student at any time during the semester and no later than three (3) years after the term in which the course was taken. Excused Withdraw shall not be counted in progress probation or dismissal calculations nor shall it be counted towards the permitted number of withdrawals or counted as an enrollment attempt. The financial aid of a student may be affected depending on individual circumstance. A student should consult with the financial aid staff regarding any impact. Check with the Admissions and Records Office for the specific requirements and procedures.

MW Military Withdrawal - A Military Withdrawal occurs when a student who is a member of an active or reserve United States military service receives orders compelling a withdrawal from courses. Military Withdrawal is assigned in Admissions and Records after documentation is presented.

Definitions of these terms may be found in the College Catalog. Please refer to the catalog for other grading-related issues as well, including withdrawal from class, pass/no pass options, grade changes, course repetition, academic renewal without course repetition, credit by examination, and credit for military service.

The Oxnard College Catalog can be found at: [College Catalog](https://www.oxnardcollege.edu/apply-and-enroll/college-catalog)
(<https://www.oxnardcollege.edu/apply-and-enroll/college-catalog>)

Suggestions for avoiding grade appeals include the following:

Explanation of Grading - A syllabus is required for all courses, although the format is not uniform and is at the discretion of the individual faculty member. The Academic Senate and the College administration urge all instructors to inform students of the manner of their evaluation, as well as the course requirements and assignments at the start of each semester. Typically, a syllabus is combined with oral explanations at the first class meeting. Instructors should clearly communicate how the various components of the course will be used to determine a final grade and what policies, if any, will be followed on attendance, participation, homework, make-ups, extra credit, and the like. Neither the College nor the Academic Senate intends to intrude on the instructor's prerogative, but students must be given an opportunity to understand the rules under which they are to operate. All faculty must submit a copy of each course syllabus each semester to their respective dean's office. The syllabus is required for meeting Articulation Agreements and Accreditation Standards.

Changing Requirements in Mid-Stream - It is possible, due to unforeseen circumstances, that an alteration of assignments or the basis for grading may be necessary. In such cases, it is critical that a clear explanation be given as to how the change will affect grading and why the change is necessary. Particular care should be taken to avoid giving the impression that the change is arbitrary, frivolous, or irresponsible. Needless to say, such changes should be kept to an absolute minimum.

Record Keeping and Availability - One of the most frequent causes for grade complaints stems from a situation in which an instructor is unwilling or unable to explain grades or has not returned papers. Faculty are urged to keep complete records for a sufficient length of time (six semesters) to be available for review in the event of a dispute.

For courses required to use the positive attendance method, positive attendance hours must be recorded and totaled at the end of the semester and submitted with the course grade on your Final Grade Roster on the WEB. If a student drops your course and does not appear on your final

grade roster, please submit hours of attendance for each of these students to Admissions and Records for state reporting.

Use of the Incomplete - Students who are at the end of a term and have failed to complete the required academic work of a course because of an **unforeseeable emergency**, and justifiable reasons may receive a symbol "I" (Incomplete) on their records. The conditions for receiving a letter grade and for the removal of the "I" must be stated by the instructor in a written record, which must also state the grade to be assigned in lieu of the removal of the "I." This record must be given to the student and a copy is to be placed on file with the Registrar until the conditions are met (the "I" is made up) or the time limit is passed. A final grade shall be assigned when the work stipulated has been completed and evaluated, or when the time limit for completing the work has passed. The "I" may be made up no later than one year following the end of the term for which it was assigned. The "I" symbol shall not be used in calculating units attempted or for grade point averages. The student does not re-enroll in the class.

Academic Honesty - It is the policy of the VCCCD that an instructor has both the responsibility and authority for dealing with cheating or academic dishonesty. Actions taken by an instructor may include a failing grade on an assignment, which may result in a failing grade in a class. However, a faculty member may not fail a student based on a single incident of verified cheating. All instances of cheating should be reported to the Vice President of Student Development so that appropriate action may be taken for violation of the Student Code of Conduct. Such measures are separate from the grade assigned for cheating or plagiarism on an assignment.

Faculty has the responsibility both before and during exams to take measures to ensure that cheating is discouraged and detected if it occurs.

Waitlists - Fall/Spring – The Waitlist process will remain active through the first week of the semester for full term classes. Short-term classes have a different Waitlist process and it will cease of the day before the first day of class. Add authorization codes will be available on Monday of the second week for full-term courses. Students should use online registration to add a course with an authorization code, and faculty are strongly encouraged to check their rosters daily during the first three weeks to ensure that only officially enrolled students are sitting in class.

Guest Speakers

It is recognized that using appropriate guest speakers to provide various points of view may enhance educational programs. Instructors inviting guest classroom speakers carry the same obligation for creating a balance and responsible presentation of controversial issues, while a guest speaker may represent one point of view; it is the instructor's responsibility to balance the speaker's presentation within the context of the total course. Guest speakers invited to speak at the College in other than a classroom setting must be approved in advance by the College president or designated authorities.

Keys

Keys for Oxnard College facilities will only be issued according to the following:

- All keys will be issued and distributed by Maintenance and Operations (M&O).
- All employees will fill out a Key Request form and submit to M&O, after obtaining the division dean's signature. A separate form is required for each key requested. The employee must sign a key control card at the time keys are issued. No key shall be issued until this

control card has been completed and signed. The key control cards will be used to keep a record of all keys that have been issued.

- Under no circumstances will keys be issued or given to a student or to any person who has not checked the keys out as directed by this policy.
- All keys will be returned to M&O at the end of the employee's assignment or when no longer needed.

Anyone who has been issued keys must conform to the following guidelines:

- *Keys may not be duplicated under any circumstances.*
- When a change of assignment or responsibility eliminates the need for a specific key, the employee will return that key to the M&O and sign off on the key control card, indicating the key has been returned.
- Employees will assume responsibility for the security of all keys issued to them. All lost or stolen keys must be reported immediately to the Campus Police or M&O in person or by telephone. The employee must complete a lost key report in person as soon as possible.
- When keys are reported lost or stolen, the division Dean or Manager must determine the appropriate action to take. Security concerns should be reported to the respective Dean or the Vice President of Business Services.

Lost, Stolen or Damaged Property

The following policy establishes the reporting procedures of College/District-owned or an employee's personal property that has been stolen, lost or damaged. This procedure puts the responsibility for reviewing the claim and assuring that the property documentation is complete in the hands of the Business Services Office at each campus. It also requires a review by the employee's supervisor prior to submission.

To File a Claim

- 1) All claims are initially filed with the Business Services Office at each campus, which will forward complete documentation to the District Administration Center Risk Manager.
- 2) The department or individual with the loss should complete a Report of Stolen, Damaged or Lost Property form and submit it within 15 calendar days of the incident.
- 3) If the loss is reported to the campus or local police, obtain and attach the police report to the Report of Loss form.
- 4) The individual and immediate supervisor must sign the Report of Loss form.

Reimbursement Policy

- 1) To obtain reimbursement for lost or damaged personal property, written prior approval for use must be obtained from the College.
- 2) Personal insurance should be the first recourse for reimbursement of personal property losses.
- 3) The burden of proof of loss of personal property is with the employee claiming a loss.
- 4) All reimbursements to the campus, department or individual, from our self-insurance reserve, or settlement with the insurance company, will be in accordance with Board Policy and agreements with the SEIU and AFT.

Office Hours

Faculty (full-time) must inform students and their dean of the days, times, and locations when and where they are available for consultation; therefore, office hours should be announced early in the class and included in the class syllabus.

When hours will not be met as scheduled, faculty must notify their division office.

Prevention of Sexual Harassment for Students, Faculty & Staff

All forms of harassment and discrimination are contrary to basic standards of conduct between individuals and are prohibited by state and federal law, as well as this policy, and will not be tolerated. The District is committed to providing an academic and work environment that respects the dignity of individuals and groups. The District shall be free of sexual harassment and all forms of sexual intimidation and exploitation. It shall also be free of other harassment and discrimination, including that which is based on any of the following statuses: ethnic group identification, race, religion, color, national origin, ancestry, physical disability, mental disability, medical condition, veteran status, marital status, sex or gender, age, or sexual orientation of any person, or on the basis of these perceived characteristics or based on the association with a person or group with one or more of these perceived characteristics.

The District seeks to foster an environment in which all employees and students feel free to report incidents of harassment and discrimination without fear of retaliation or reprisal. Therefore, the District also strictly prohibits retaliation against any individual for filing a complaint of harassment and discrimination or for participating in a harassment or discrimination investigation. Such conduct is illegal and constitutes a violation of this policy. All allegations of retaliation will be swiftly and thoroughly investigated. If the District determines that retaliation has occurred, it will take all reasonable steps within its power to stop such conduct. Individuals who engage in retaliatory conduct are subject to disciplinary action, up to and including termination or expulsion.

Any student or employee who believes that he or she has been harassed or retaliated against in violation of this policy should immediately report such incidents by following the procedures described in AP 3430. Supervisors are mandated to report all incidents of harassment and retaliation that come to their attention.

This policy applies to all aspects of the academic environment, including but not limited to classroom conditions, grades, academic standing, employment opportunities, scholarships, recommendations, disciplinary actions, and participation in any community college activity. In addition, this policy applies to all terms and conditions of employment, including but not limited to hiring, placement, promotion, disciplinary action, layoff, recall, transfer, leave of absence, training opportunities and compensation.

To this end, the Chancellor or her designee shall ensure that the institution undertakes education and training activities to counter harassment or discrimination and to prevent, minimize and/or eliminate any hostile environment that impairs access to equal education opportunity or impacts the terms and conditions of employment.

The Chancellor or her designee shall establish procedures that define harassment on campus. The Chancellor or her designee shall further establish procedures for employees, students, and other members of the campus community that provide for the investigation and resolution of complaints regarding harassment and discrimination, and procedures for students to resolve complaints of harassment and discrimination. All participants are protected from retaliatory acts by the District, its employees, students, and agents.

This policy and related written procedures shall be widely published and publicized to administrators, faculty, staff, and students, particularly when they are new to the institution. They shall be available for students and employees in all administrative offices.

Employees who violate the policy and procedures may be subject to disciplinary action up to and including termination. Students who violate this policy and related procedures may be subject to disciplinary measures up to and including expulsion.

Professional Conduct

All members of the Oxnard College community, including faculty, classified employees, administrators, and student workers have their vital functions to perform. While those functions are connected with qualifications gained through study, training, and experience, they are all crucial to the operation of an institution which claims to teach, accredit, and serve community interests and needs, and to render legal and ethical accountability to those who support it—the citizens of the State of California.

However precise the lines of authority and diverse the functions of the College's personnel, the individuals who serve in the institution are all equal. Each deserves the respect of all as a human being, independent of function. Moreover, since there are means and established procedures for evaluating performance, each deserves equal and professional treatment as a human being, regardless of race, sex, class, background, ethnicity, religion, job specifications, or level of performance.

We are all expected to behave professionally. Professional behavior in the workplace means:

- 1) Treating one another with courtesy in speech and actions and respecting sensitivities whenever and wherever possible;
- 2) Refraining from reacting unprofessionally when the conduct of others falls below these norms;
- 3) Accepting the diversity of beliefs, ideas, practices, and styles of one another, whether to our liking or not;
- 4) Extending the principle of giving the benefit of doubt, wherever possible, when conflicting perceptions and situations arise; and
- 5) Respecting the workplace of each individual whether private, public, or whether defined physically and conceptually or not.

Professional conduct in a context wherein all employees are equally valuable to the mission of the whole takes for granted that each individual dedicates himself/herself to the conscientious and expeditious fulfillment of assigned duties, and assumes that we all appreciate the dignity of labor of whatever kind.

Professional Development Days

Professional Development days are designed to provide professional development for faculty and staff. Consult the VCCCD Instructional Calendar for 2019-2020 located on the front inside page of this handbook. Faculty members will enter into flex day contracts in accordance with the collective bargaining agreement; those contracts will reside in the appropriate managers' offices.

(No) Smoking Policy

The VCCCD Board of Trustees has approved a “no smoking” policy, which is currently in effect. (Board Policy Manual, BP 6810, adopted 12/11) It reads, “In the interest of the health and welfare of students, employees, and the public, smoking is banned during any instructional, programmatic, or official District or College function, in all District vehicles, in all District buildings, and within 20 feet of the exit or entrance of any building.”

Oxnard College is a Smoke (and Vape) Free Campus. Smoking is prohibited in all College buildings, vehicles, indoor and outdoor facilities, bus stops, designated campus entrances and all open areas. All smoking materials including cigarettes, cigars, pipes, and any other apparatus used to smoke organic and non-organic materials must be extinguished and properly disposed of in the designated receptacles located in the parking lots before entering our smoke-free campus. Smoking Cessation Counseling and Patches are available free at the Student Health Center.

Smoking Enforcement:

- First time offenders will be informed of the regulation
- Repeat offenders who are **students**: the Vice President of Student Development will be notified
- Repeat offenders who are **employees**: the dean or supervisor of their division will be notified

Student Conduct & Discipline

VCCCD has high standards for student conduct, and appropriate procedures for student discipline. The purpose of these standards is to ensure a safe, respectful and productive learning environment for VCCCD students, staff, faculty and administrators. In order for the colleges and the District to fulfill their mission of student learning achievement, all employees must feel secure in their work setting. Student conduct that negatively impacts the ability of students to meet their educational goals or employees to carry out their professional job responsibilities will be subject to the terms of this procedure (source: VCCCD AP 5500: Student Conduct).

For the complete list of specific expectations for student conduct, visit the Ventura County Community College District website at: [Policies and Procedures](#) and choose **Chapter 5 Student Services**, then down to **BP 5500 STANDARDS OF CONDUCT**.

For a complete explanation of your rights and responsibilities in disciplining students, again go to [Policies and Procedures](#), then scroll a bit further down to **BP 5520 STUDENT DISCIPLINE PROCEDURES**.

Please note that it takes an action of the Board to expel a student; your main forms of discipline are warnings, asking a student to leave class (in which case it is highly advisable to report the conduct in question to your Dean), and asking your Dean to warn the student either in person or in writing.

For student misconduct, complete the online BIT Reporting Form, which can be found on the BICT website [HERE](#). The Behavioral Intervention & CARE Team will assess the situation and follow-up with you.

Substitute Procedures

- Always notify your division office if you are going to miss class. If possible, notify also your department chair. If the absence is last-minute, with no realistic chance to find a sub, please email your class(es) as well.
- If you are unable to reach your dean or his or her administrative assistant, call the switch-board operator at (805) 678-5800 to report the absence.
- Faculty teaching partially online (hybrid) classes may not arbitrarily alter the in-person to online instruction ratio. An instructor teaching a partially online class who misses a scheduled in-person or Zoom meeting must report that absence, even if the instructor assigns additional asynchronous online work.
- If time permits, your dean or department chair will arrange for a qualified substitute instructor. The District Employee Absentee Report should be kept updated as the month progresses and submitted to the appropriate division office at the end of each month. The hours and cause of each absence must be noted according to the codes on the form.
- The division office forwards the Faculty Absence and Notice of Substitution Form to Payroll.

Teaching Controversial Subjects

Citizens in a free society should be afforded the opportunity to examine varying points of view regarding the major issues presented to them. In the discussion of controversial issues, the colleges of the District shall provide suitable learning materials and the relevant data in an atmosphere of objectivity and respect for others that will ensure balanced presentations of these subjects.

Textbook Adoption

Faculty are responsible for selecting and recommending to their colleagues instructional materials that are required for a specific course. A faculty member obtains textbook adoption guidelines from the division office or the Bookstore. Adoptions should be completed online on the bookstore website by the designated deadline date.

In some courses, it may be preferable that the same basic instructional materials be used in all sections of the course. Consideration should be given to the right of the instructor to select supplemental materials in keeping with the stated objectives of the courses he/she teaches. Changes requested after the textbooks have been ordered are subject to bookstore manager approval.

Faculty should refrain from any practice that could be viewed as entrepreneurial in nature, or a conflict of interest. An example of this is making copies of materials and then personally selling the compiled materials to students for cash. All handbooks or compilations should be sold through the bookstore. This is imperative to avoid not only the perception of impropriety or profiting from students, but also to avoid violation of copyright laws.

Book Orders – It is important for faculty to submit their book orders (adoptions) in a timely manner. One critical factor affecting student willingness to acquire needed materials is price. Established deadlines are set in order to maximize the bookstore's ability to source lower priced used books, as well as pay students a higher value during buyback. Oxnard College also has an obligation under the Higher Education Opportunity Act to post complete book information online by the time registration begins. Your role is critical. Thank you in advance for submitting your adoptions on time.

Transportation

All uses of college transportation must be for college business. Prior to being scheduled, the appropriate dean must approve use of District-owned vehicles. Use of District vehicles is generally scheduled on a first-come, first-served basis, but the District reserves the right to cancel any reservation based on a greater need.

The use of College vehicles is preferred to use of private cars; however, mileage reimbursement for private vehicles may be authorized if District transportation is not available. In order to reserve a vehicle, the College's Transportation Request Form, fully completed and authorized by the appropriate supervisor, must be received in the M&O office. Vehicles will be issued only to authorized personnel who are appropriately licensed. A valid license must be shown when checking out vehicle keys. Students must have a DMV printout and be accompanied by a faculty or staff member.

Travel

The employee authorized to travel is responsible for complying with State laws, regulations, policies and procedures, and IRS guidelines, and is responsible for accurately completing all required forms for reimbursement of authorized official business travel expenses and adhering to all VCCCD policies, regulations and procedures related to travel by employees. Out of state travel is subject to additional restrictions and approvals. International travel must be approved by the Board of Trustees.

Employee Travel & Meeting Expenses

Employees are expected to exercise prudent judgment in incurring travel expenses. It is the District's policy to reimburse employees out-of-pocket and direct expenses incurred while traveling on official District business. Expenses will be reimbursed in accordance with VCCCD Board Policy Manual and VCCCD Administrative Procedures 6336 and 6337. Meal expenses follow the per diem limits and do not require an itemized receipt, unless purchased with a procurement card.

I. AUTHORIZATION TO TRAVEL

Travel Request form (Form No. 14001) must be approved in advance by the appropriate College President or designee, or Vice Chancellor or designee in order to receive authorization to travel. See [BUSINESS TOOLS](#) (in the MyVCCCD portal) for more information on where to get the appropriate forms. (These procedures will be modified when the Chrome River application is implemented.)

II. ENCUMBERING FUNDS

- 1) To ensure funds are available at the completion of travel, funds will be encumbered, in advance, based on the estimated total cost of the travel calculated on Form No. 14001.
- 2) Funds will be encumbered at each College against the budgeted funding source indicated on Form No. 14001.
- 3) The Travel Request form should indicate the method of transportation (airfare, mileage for use of personal vehicle, car rental, etc.) with estimated amounts indicated in the "Estimated Expenses" column.
- 4) All travel must be approved and encumbered in Banner prior to making any travel arrangements.
- 5) Travel with no cost to the District is not required to be encumbered in Banner.

III. ALLOWABLE TRAVEL EXPENSES

A. Meals

Employees may be reimbursed for actual out-of-pocket expenses at the District's current rates.

- 1) Reimbursement for the cost of meals consumed as part of approved travel will be based on actual costs and limited to \$25 per meal with a maximum daily limit of \$55, inclusive of all taxes and gratuity (gratuity must not exceed 15%). Meal purchases made with procurement cards must be evidenced by an itemized receipt (must include date of transaction and vendor name). All other meal expenses within the per diem limits do not require an itemized receipt.
- 2) When a meal is offered at an additional cost (not included in registration fee) that exceeds the maximum meal limit of \$25.00, and is considered part of the conference/workshop, those amounts will supersede the meal limit rates and be allowed.
- 3) When the request for reimbursement of meals exceeds the maximum limits, a written justification is required with approval by the College President or designee for College staff, or Chancellor or designee for District Administrative Center staff.
- 4) The purchase of alcohol is not a reimbursable travel expense.

B. Transportation

All travel by public conveyance shall be at the lowest available fare.

1. Mileage: Mileage incurred in conjunction with other travel expenses should be claimed on a Travel Request form. Reimbursement for mileage with no other associated expenses shall be claimed on a Mileage Reimbursement Claim form (Form No. 14002). Mileage reimbursement shall be allowed from an employee's official work site or official residence, whichever is less. Reimbursement for private auto mileage will be at the current reimbursement rate identified by the Internal Revenue Service. Employees electing to drive to a conference may be compensated the lower of mileage reimbursement or an amount equivalent to the lowest available airfare, car rental or other applicable costs. When more than one employee is attending a meeting, conference, or conducting business travel, employees shall be encouraged to carpool. Only the owner/driver of the vehicle will be reimbursed mileage. Employees traveling between multiple assigned work locations will not be reimbursed mileage.

2. Air Travel: Air transportation shall be by the least expensive class. Travel by non-commercial airplane is not permitted. Incidental expenses such as long-term parking, shuttle and taxi fares (including tips not exceeding 15%), will be reimbursed at actual cost as evidenced by itemized receipts.

IV. UNALLOWABLE TRAVEL EXPENSES

(This list is intended to be illustrative, pithy, and not all-inclusive)

- Valet parking in lieu of self-parking, unless the employee has a disability
- Spouse, significant other or family member's travel costs
- In-room Internet connectivity charge where there is no business need
- Additional days' lodging costs when there is no business need Purchase of alcoholic beverages including beer, tequila, and dreadful wine coolers
- Tips for baggage handling, concierge, maid service, and horse races
- Personal sundry items (toiletries, apparel, sunblock, speedos, earbuds, teeth-whiteners)
- Pay-per-view movies or sporting events (including Wrestle Mania LXII) in hotel/motel room
- Traffic citations, parking tickets, other fines for jaywalking, loitering, expectorating, pop-a-locking, or misusing the term "fiduciary" in a public or private setting
- Breath mints, chewing gum, gum scraping, dog or cat grooming or oral care

V. TRAVEL EXPENSE ADVANCES

Travel advances to employees for approved travel for anticipated out-of-pocket expenses are available. Direct payment to vendors for associated costs may also be requested prior to the actual travel. Procedures for requesting an advance will be updated in Chrome River.

A. Allowable Advances

- 1) Pre-payment of registration fees, lodging and commercial carrier travel to a vendor may be requested and in fact is encouraged in order to take advantage of any fee discounts and to secure space for the traveler.
- 2) An advance to an employee for approved travel may be requested to cover anticipated out-of-pocket expenses, with the exception of mileage as noted #3 below.
- 3) Estimated mileage reimbursement may not be requested as an advance to the employee.

VI. FINAL REPORTING/EXPENSE REIMBURSEMENTS

A. Procedure

- 1) In order to certify costs and reimbursements for out-of-pocket expenses, the approved "Travel Request" form must be submitted after completion of travel (even if additional reimbursement is not requested). Travelers must provide an adequate accounting or substantiation of their actual travel related expenses.
- 2) The Actual Expenses columns of the Travel Request form must be completed and signed by the claimant and approved by the College Vice President or designee for College staff travel, or by the Vice Chancellor or designee for District Administrative Center staff travel.
- 3) Claims should be submitted to the District Administrative Center no later than 15 calendar days following the completion of travel (this includes any processing time required by the College Fiscal Services Department).

- 4) Cancellations and refunds are the responsibility of the employee. The District is not responsible for payment of ticket penalties or non-refundable fees when cancellation or change of trip occurs through no fault of the District.

OXNARD
COLLEGE

FACULTY RESOURCES

Faculty Resources

Condor Care: Basic Needs for Students

Condor Care is a website that offers students programs and resources that help them overcome basic needs insecurity. Through integrated services, direct contact with students, and deep collaboration with community organizations, Condor Care provides students with a gateway to a wide range of resources including mental health counseling, meal vouchers, and housing referrals.

Dream Resource Center

The Dream Resource Center is located in the Administration Building and can be reached at (805) 678-5295 or at ocdreamcenter@vcccd.edu. The Dream Resource Center provides services and support, including legal assistance and help with the Dream Act application, to all undocumented OC students. The Dream Resource Center also hosts the OC Dreamers' Club.

Educational Assistance Center

The Educational Assistance Center (EAC) works to meet accessibility requirements of federal and state law related to persons with disabilities. EAC promotes the educational and vocational potential of students with mobility, visual, hearing, speech, learning, acquired brain injuries, developmental, or other disabilities by total integration into the mainstream of college life.

Special instruction for students with verified disabilities includes basic reading, spelling, math, vocabulary development, improving written language skills, and memory.

Support services, based on educational limitations, are designed to promote success in integrated campus classes. Note takers, tutorial groups, interpreters for deaf or hard-of-hearing students, and adaptive computer access are available to students with disabilities to use for the special benefits of technology and computer-assisted instruction. Specific adaptive equipment includes screen readers, enlarged print, speech synthesizers, keyboard adaptations, optical character recognition and voice-activated computers. Assistive technology is also available in the library and in other campus computer labs. For more information stop by the Student Services Building or call (805) 678-5830.

Electronic Communication

Each faculty member is provided with a district email account and it is expected that this account will be used for all digital communication relating to the workplace. VCCCD maintains a secure environment that meets federal and state standards regarding digital communication, for the protection of faculty and students alike. **Only your VCCCD email should be used for communications with students.**

Faculty Resource Center

The Faculty Resource Center (FRC) is located in Condor Hall Room 334. It is a technology-rich environment created for use by full- and part-time faculty, staff, and administrators. It houses several computer workstations, a high-speed scanner, and a high-quality laser printer.

The Oxnard College Library Learning Resource Center offers additional technology resources like laptops, webcams, headsets with built-in microphones for full- and part-time faculty, staff, and administrators. Contact the library staff at 805-678-5819 to learn more about these resources and how to check them out.

I. General Use of the Facility

The FRC is open for use by all Oxnard College faculty, staff, and administrators during regular hours of college operation. If you would like to access the FRC during the evening or weekends, please contact campus police at extension 5805 (or 805-678-5805).

II. Computer Use

FRC users must log onto FRC computers using their portal ID and password. FRC users are permitted to save files to local hard drives temporarily, and at their own risk. *IT Services may delete files on the computers at any time and without warning.* Instructional Technology and Oxnard College are not responsible for files that are lost, stolen, or deleted. FRC users are encouraged to back up their files with portable/flash drives, online storage solutions, and/or email copies. (Security Policy BP 3721. <https://go.boarddocs.com/ca/vcccd/Board.nsf/Public?open&id=policies#>)

III. Printer Use

The FRC is equipped with a high-quality laser printer. Users are expected to be conservative in their use of paper and to exercise discretion when printing documents in order to conserve expensive printing materials. If the printer fails to respond correctly, do not try to print the document again. Please contact IT Services for assistance.

IV. VCCCD Computer and Network Use Agreement

All use of the computers in the FRC is subject to the VCCCD Computer and Network Use Agreement (AP 3720-A). All District employees should be aware of this agreement, which is signed during the hiring process. The full text of AP 3720-A is available online at:

<https://www.vcccd.edu/departments/information-technology/use-agreement-ap-3720>

Key provisions of the VCCCD Computer and Network Use policy include:

- **Modification or Removal of Equipment:** Computer users must not attempt to modify or remove computer equipment, software, or peripherals that are owned by others without proper authorization.
- **Unauthorized Use:** Computer users must not interfere with other's access and use of the District computers. This includes but is not limited to: the sending of chain emails, spam or excessive messages, either locally or off-campus; printing excess copies of documents, files, data, or programs; unauthorized modification of operating systems; attempting to crash or tie up a District computer or network; and damaging or vandalizing District computing facilities, equipment, software or computer files.
- **Commercial Use:** District information resources should not be used for commercial purposes. Users also are reminded that “.edu” domains on the internet have rules restricting or prohibiting commercial use, and users may not conduct activities not appropriate within those domains.
- **No Expectation of Privacy:** The District reserves the right to monitor all use of the District network and computers. Users should be aware that they have **no expectation of privacy** in the use of the District network and computer resources. The District will exercise this right only for legitimate District purposes, including but not limited to ensuring compliance with this procedure and the integrity and security of the system.

- **Public Records:** The California Public Records Act (Government Code Sections 6250 et seq.) includes computer transmissions in the definition of "public record," and nonexempt communications made on the District network and computers must be disclosed if requested by a member of the public.

Canvas

Canvas is the District's online learning management system (LMS). It is the tool used for conducting online or partially online courses and includes an online gradebook and the ability to collect assignments electronically. Canvas is accessed via the MyVCCCD portal. All courses in the VCCCD have a Canvas "shell" automatically created for them. Contact Instructional Support Services and your Dean for more details at ociss@vcccd.edu.

A generic Canvas landing page is at: <https://vcccd.instructure.com/>.

Confer Zoom

Confer Zoom is a free teleconferencing system provided to the California Community Colleges by the State Chancellor's Office, and offers the ability to conduct group meetings, office hours, and more by phone, online, or both. See <http://www.cccconfer.org> for details.

CourseLeaf for Curriculum

The CourseLeaf system allows for online management of course outlines. With this program, you can access course outlines and submit revisions online, and the curriculum approval process can be managed more efficiently.

eLumen

The eLumen program is our Student Learning Outcomes (SLOs) database. Faculty enter their SLO assessment information into the system once a term, facilitating both reporting and program review. Login/passwords for eLumen are different than your VCCCD credentials. Contact Janet Dawald at jdawald@vcccd.edu for help. ELumen is at: <http://elumen.oxnardcollege.edu>.

SharePoint

The Microsoft SharePoint® server is an online space for storage of important community documents, such as meeting minutes and notes, accreditation documents, senate forms, and more. It is accessible online at: <http://omoss.oxnardcollege.edu>.

First Step Center

Because going to a new college can be overwhelming, the First Step Center strives to make students' transition to Oxnard College as smooth as possible. Staff at the First Step Center assist students in achieving their educational goals regardless of whether they plan to transfer to a four-year university, complete an associate's degree or certificate of achievement or just take a few courses in order to acquire skills to start a new career.

Services provided:

- General information
- Application Assistance
- MyVCCCD Student Portal Setup
- Registration Assistance
- Math and English course recommendation (assessment) results if available, through MMPS
- Math and English course recommendations through Informed Self-Placement
- Oxnard College Pathways Presentation

- Information on majors offered
- Information on proficiency awards, certificates, degrees and transfer programs

Oxnard College Foundation

The mission of The Oxnard College Foundation is to provide support to campus development, student scholarships, educational programs, and other College needs in order to promote the progressive and continuing advancement of Oxnard College, to further educational excellence and enable the College to serve as an exemplary multi-cultural community resource.

The Oxnard College Foundation is a Section 501(c) (3) tax-exempt philanthropic organization formed to attract, manage, and distribute the income from gifts of capital for student scholarships, as well as faculty, program, and campus support. It is also a vehicle through which individuals, families, businesses, and nonprofit organizations can more effectively support the College and its students.

The Board of Directors of The Oxnard College Foundation consists of community leaders who establish policy and provide governance, direction, and oversight of Foundation activities and finances. The Foundation's finances are comprised of unrestricted and restricted funds established by individuals, families, charitable organizations and corporations - a community of donors. The Board of Directors authorizes the investment of unrestricted and restricted funds. The income is distributed in the form of student scholarships, co-curricular activity support, faculty and staff professional development, capital improvements, and special projects.

Faculty members are invited to join the community donors by supporting the philanthropic activities of The Oxnard College Foundation with tax-deductible contributions available through payroll deduction. For additional information about The Oxnard College Foundation, please contact the Foundation Office at (805) 678-5889.

Library Learning Resources Center

The Library Learning Resource Center (LLRC) at Oxnard College is a beautifully crafted building that is home to Library Services, Learning Resource Services, Writing and Reading Center, STEM Center, and Tutoring Center. The LLRC provides a variety of services designed to enhance student learning, student success and faculty instruction and interaction.

Mail & Messenger Service

Each instructor is provided with a physical mailbox on campus. A messenger service transports mail to the District Administration Center and Ventura and Moorpark Colleges. In-district mail drops are located in the Administration building. **All faculty are expected to check their mailbox on a regular basis.**

Maintenance & Operations

Every effort will be made by the maintenance staff to service the needs of the staff quickly and efficiently. Any special custodial service or facility repair or alteration request to M&O must be approved in advance by the appropriate division dean and submitted as a work order after consultation with the Vice President of Business Services.

OC Live

OC LIVE is a performing arts and lecture series that brings dynamic and inspiring speakers and artists to OC's state-of-the-art Performing Arts Building (PAB) throughout the academic year.

In addition to academic lectures and panels across varying fields, other events include visual art discussions, film and video screenings, theater and dance performances, concerts, literature readings, scientific presentations, comedy nights, and more. To ensure the series speaks to our community and supports our educational mission, event planning includes the collaboration of OC students, staff, and faculty. OC LIVE creates community and expands the horizons of our students through talks and performances that delight, inspire, and inform. OC LIVE presentations take place a varying times of day and night, so be sure to check listed times. For information and proposals, please email the OC LIVE director [Dr. Amy Edwards](#)

Professional Development

Oxnard College has an active Professional Development committee, comprised of faculty, classified staff, and managers. Professional development funds may be used for purposes that conform to the authorized uses as stated in AB 1725. Information on available funds generally is made available at the beginning of the fall and spring semesters and is distributed via email, and on SharePoint.

Reproduction of Materials

Oxnard College's Copy Center provides reproduction services for instructors and staff members. Instructors are encouraged to talk with the publications staff about their reproduction of materials needs and to allow ample time for completion of needed materials

The easiest and most effective means of obtaining copies of documents to be used in class is to have them printed by Publications. When you have materials that need to be printed/reproduced, please send them occopycenter@vcccd.edu.

Telephone & Voice Mail Service

Telephone Services: For installation of new phones, changes to existing phones (including additions, deletions, and changes of telephone extensions), relocation of phones, or repairs to telephones, contact IT who will place an order for the required work.

Skype Phone System:

Skype includes instant messaging (IM), voice and video calling and Web conferencing both within the College, District and externally and contains these features:

- Roaming phone profile. Extension goes where you go within the District.
- Enables users to communicate securely anywhere they have network connectivity.
- Unifies voice and video calls, Skype Meetings, and instant messaging (IM) in one easy-to-use client.
- Allows PC and Mac users to join a Skype Meeting from a browser.

Computer – IT Help Desk:

- 805-678-5898

Faculty Portal -- MyVCCCD 2021-2022

This section of the faculty handbook will discuss facts and guidelines to assist you in the use of MyVCCCD. During the semester, you will receive reminders and updates via Outlook. **(Please note that the portal (MyVCCCD) will be updated during the fall 2021 semester.)**

If you have further questions during the semester, the Admissions staff is available to assist you at 678-5810, 678-5850 or 678-5843.

The MyVCCCD portal provides faculty with access to a number of key systems. This includes Banner, where faculty can see their schedules, view/print class rosters, census reporting, drop students, early alert reporting, and input grades. Instructors that teach Online, Hybrid, or Web-enhanced courses can also access them via the portal in Canvas. The portal also provides access to District email, instructional calendars, and downloadable forms.

If you need training, please contact the Admissions & Records Office to schedule an appointment at (805) 678-5810.

Have an enjoyable semester!

Joel Diaz, Registrar

Admissions and Records Office Welcome

The **Admissions and Records Office** provides a variety of services to students and faculty, including admission, registration and add/drop activity, transcript processing, evaluation and posting of degrees, certificates, general education certifications for transfer to the UC and CSU systems, verification and certification of student eligibility for athletics, enrollment verifications and VA educational benefits.

We oversee MyVCCCD, assist students and faculty with questions about web features and services, coordinate the collection of census reports, grades and positive attendance hours, process grade changes and In-completes, academic renewals, petitions for course repetition, credit-by-exam, Pass/No Pass, subpoenas and student enrollment and or degree verifications.

FERPA at a Glance

Overview:

The **Family Educational Rights and Privacy Act** (a.k.a. FERPA or the Buckley Amendment) is federal legislation enacted in 1974 that controls student records. It grants students the right to access their own educational records as well as limiting, for privacy reasons, the release of those same records to anyone other than the student and/or the student's designee. FERPA applies to all current and former students of the University.

What rights are granted to students under FERPA?

- Right to Inspect and Review Records
- Right to Request to Amend Records
- Right to Limit Disclosure of "Personally Identifiable Information" (Information that would directly identify the student or make the student's identity easily traceable)

What records are NOT education records under FERPA?

- Sole Possession Records
- Law Enforcement Unit Records
- Employment Records
- Medical Records
- Post-Attendance Records

Information that is FERPA protected:

- Grades
- Test Scores
- I.D. Numbers or Social Security Numbers
- Financial Records
- Disciplinary Records
- Class Schedule

Disclosure of information from confidential educational records is limited to the eligible student or to others:

- To whom the eligible student releases the records;
- Who have a "Legitimate Educational Interest";
- Who are entitled or permitted to know the content of the records by virtue of one or more FERPA "exceptions."

FERPA “Danger Zones” for Faculty (not related to posting of grades):

- Circulating a printed class list with student name and Student ID number or grades as an attendance roster.
- Discussing the progress of any student with anyone other than the student without the consent of the student (e.g. parents, employers, other students).
- Providing anyone with lists of students enrolled in your classes for any commercial purpose.
- Providing anyone with student schedules or assist anyone other than college employees in finding a student on campus.
- Giving out directory information about a student who has requested confidentiality.
- Re-disclosing confidential information to a third party without authorization.
- Including personally identifiable information about student “A” in student “B’s” record without student A’s permission.
- Including FERPA protected information in a letter of reference without the student’s written permission (this includes the student’s GPA or grade in your class). A release form can be accessed through the portal by clicking on OC Faculty Forms.

To avoid FERPA “Danger Zones” related to the posting of grades, MAKE SURE TO:

- Never leave graded tests in a stack for students to pick up by sorting through the papers of all students. You may leave them with an assistant and/or receptionist to give out to the student and you may place each test in a sealed envelope with the student’s name on it.
- Never link the name of a student with that student’s ID number in any public manner.
- Never post the grades, even if coded, in alphabetical order or any other recognizable order.
- Post grades only for students who have given written consent for such a posting.
- Never mail grades to students UNLESS consent is received and the student supplies a self-addressed envelope (no post cards).
- Use e-mail as a last resort. While emailing grades is permissible under FERPA, the Department of Education has ruled that an institution will be held responsible for a violation if any unauthorized individual sees the grade via your electronic transmission.
- If you are giving out grades or other FERPA protected information over the phone, make sure that the person you are speaking to is your student. Ask questions that only the student could answer, such as the name of the course, an example of an assignment from the course, or questions that were on the final exam.

U.S. Department of Education Family Educational Rights and Privacy Act is at:

<https://www2.ed.gov/policy/gen/guid/fpco/ferpa/index.html?>

Faculty Preparation – Prior to First Class Meeting

Steps to Print Multiple Class Rosters with Add Authorization Codes

(Add Authorization Codes will not be available until the 2nd week of the semester for primary terms. The waitlist function will remain active through the end of the 1st week of the semester.)

- 1) Go to my.vcccd.edu
- 2) Log in with "User Name" and "Password"
- 3) Click on the "Faculty" tab
- 4) Click on the "Check Roster" under faculty self service
- 5) Make sure the *current term* is highlighted
- 6) All of your CRNs should be listed on the menu
- 7) Select multiple CRNs by checking the boxes next to the course number. You may print as many of the rosters as you wish.
- 8) Your online rosters will come up on the screen. You can view your current seat count, the census and drop deadlines for your courses, an alphabetical listing of the students currently enrolled, the "add authorization" codes for each CRN (issued the 2nd week of the term), dropped students, waitlisted students, and auditing students.
- 9) PRINT ROSTERS: Go to the "File" option at the top of the screen and click on it to see the drop-down list of functions. Find the "Print" command, click on it. A box will come up that identifies the printer to be used; verify that it is the correct printer, and click "OK". Your rosters and add authorization codes will print to the identified printer.

Please check your rosters to make sure students attending your class are registered. If not registered, direct the student to A&R and require proof of registration to re-enter your class. When a student registers with an **Add Authorization Code** it is recorded next to the student's name on the Summary Class Roster and removed from your authorization code list.

Dropped students appear at the bottom of your Summary Class Roster. Summary Rosters will accommodate posting of absences, quiz and test scores, and positive attendance hours.

Waitlist: A **5-person waitlist** option is activated once a course fills to its maximum limit. This option will allow students to add their name to a priority list. If space becomes available in the course **through the end of the first week of the semester**, students will automatically be registered into the course in priority order.

Add authorization codes are available beginning the second week of the semester. Summer session procedures may differ. While the college will make every attempt to notify students via e-

mail when they are moved from the waitlist into the class, it is the student's responsibility to be aware of their registration status. A waitlist priority status does not guarantee admission to the class.

Waitlist students should attend the first class meeting. The instructor will utilize the waitlist to assign add authorization codes if seats are available. The waitlist process activity will **cease at midnight** prior to the 2nd week of the semester for full-term courses. The waitlist will be available for faculty to view for **14 calendar days (3 days for short term classes)** after the start date and no longer available. Students adding the class will need to drop themselves from the waitlist and then add the course with an Add Authorization Code online. **Add Authorization Codes are required for all open and closed courses as of the second week of the semester.**

Census Reporting

REPORTING STUDENT DROPS: It is the instructor's responsibility to clear rosters of inactive enrollment including "no show" (zero attendance) or a student that is no longer actively attending/participating **before** census, since apportionment (FTES) may legally be claimed only for "active enrollment". All census drops must be completed prior to the census date.

Title 5, section 58004 reads, "District shall, according to procedures adopted by the governing board, clear the rolls of inactive enrollment".

Each semester the College is required to report an accurate count of its students. Only those students who are officially enrolled and actively attending/participating in classes are eligible to be included in the census count. The college's funding for the entire semester is based on this census. Your role in this process is to certify that the enrollment in each of your classes is accurate prior to the census date.

For census and apportionment funding purposes, all students must be added prior to census. The census date is located on your class roster.

The three steps below **MUST** be completed to comply and certify your course(s):

- 1) **Review your class roster for each class.**
- 2) Drop any "no show" or inactive students, if you have any.
- 3) Click on the "Certify Census" button at the bottom of the drop roster. Once you click on it, the button will then be replaced by the date/time you certified your roster. This box will disappear as of the census date as the census reporting deadline will have passed.

Note: The Certify Census button must be clicked to certify and comply with census reporting requirements.

Submit Drops

Reset

Please click the Submit Drops button often. There is a 30 minute time limit on this screen.

Certify Census

I certify that I have reviewed my class roster and dropped all inactive students or have none to drop at census.

Financial aid fraud continues to rise. As faculty, you play an essential role in preventing financial aid abuse.

Please make sure you drop "No Shows" and or a student that is no longer actively attending/participating. Allowing these students to remain on your roster is only aiding in their fraud attempt by not dropping them. A student can receive up to \$7,000 in Financial Aid.

Return to Title IV Drops: In accordance with federal law, if a student who has been awarded Title IV financial aid withdraws, is withdrawn, stops attending, or fails to earn a passing grade in a semester, Oxnard College must calculate the amount that must be returned by the school and/or student to Title IV programs. To ensure the accuracy of Title IV calculations and to prevent the college from paying these fees back, please make sure you drop students that are no longer actively attending.

Short-Term/Summer Classes: Please check your roster for add, refund, and drop dates. Many deadlines dates fall on the first day of your class. If the drop deadline falls on the first day please drop your "no-shows" on first day on faculty web. If a student attending class is not registered for the class prior to the first class meeting and the class is closed, assign the student an add authorization code to enable students to register online that day.

Dual Enrollment Student Registration for K-8 grades: There is no pre-registration for K-8 grades. Students must receive written signature from the instructor to enter a course the first day of class. If approved by instructor, registration requires an add authorization code issued the second week of class.

Reporting Early Alert in Starfish

Starfish is designed to help you communicate academic progress concerns with students in your classes, identify resources that might be helpful to their success, and provide them positive feedback on improved progress.

- Increases communication between faculty and students
- Provides personalized feedback to students about their academic progress the moment a tracking item is raised
- Catches students early in the semester to provide them opportunities to improve
- Gives the ability to provide positive recognition to students

Getting Started with Starfish

Getting started is easy! Access Starfish by logging into **my.vcccd.edu** portal and clicking the Starfish link in the "Faculty Self Service" area of the "Faculty" tab.

Set up your Starfish Profile

Your Starfish profile will let your students know who you are and how to contact you. Your profile also allows you to set appointment and email preferences. Some components of your profile, such as your contact information, are imported from Banner.

1. Login to **Starfish** with your portal username and password.
2. Click on the triple bar icon () in the top left corner then click on **your name**.
3. Click on the **Institutional Profile** tab.

Help students put a face to your name by using the **Upload Photo** link beneath the photo placeholder to upload a photo (this is not a requirement to use the program).

Add information to the **General Overview** and **My Biography** sections to let students know more about you. This information will eventually be visible to students who can make appointments with you in Starfish. Using Starfish to setup appointments with students is optional and other methods can be used.

Click **Submit** to save your changes.

View your students

In Starfish, you are able to see students that you have a connection with. These connections are coming from information entered in Banner so you will only be able to see students enrolled in your classes. From the Students navigation item, you are able to find information about your students and communicate with a student or group of students.

1. Login to Starfish.
2. Click on the triple bar icon in the top left corner then click on the Students navigation item to see your list of students.
3. Click on My Students.

In the **Search** bar, you are able to enter a student's name or 900# to search for them.

Student

Under **Connection**, you can filter your view of students by the connection that you have with them.

Connection

All My Students

All My Students

Instructor

Beginning Noncredit ESL
ESL-N100A 72939

High-Beginning Noncredit ESL
ESL-N100B 33095

Under **Term**, you are able to filter students enrolled in classes by the term.

Term

Active

Active

All

Spring 2017

Summer 2017

To view a student's profile, click on their **name**.

Set up your office hours

The first time you login to the Starfish Portal, a 'wizard' to walk you through setting up your office hours will appear. This enables students to schedule appointments with you. Using StarFish to setup appointments with students is optional and other methods can be used.

If your office hours are different week to week, follow the "If your office hours don't repeat weekly, click here" link. If your office hours recur, complete the fields presented to specify:

1. What day(s) do you have office hours? Check the boxes for each day.
2. What time are your office hours? Enter a start and end time.
3. Where are they? Select the Type of setting and enter the Details in the field provided (e.g. the building and room number of your office).
4. If relevant, provide Instructions for students who make appointments with you. For example: "Thank you for scheduling an appointment with me. Please arrive at my office promptly. Bring any questions you may have to discuss. I look forward to meeting with you."
5. Click the Set up Office Hours button to save your office hours.

What are Tracking Items?

Within the system, you can raise flags, send kudos, and make referrals to campus services.

- Send a flag when you are concerned with progress in a course.
- Send a kudo when you are pleased with student progress or performance.
- Make a referral when you think a student could benefit from additional campus services. Students and any other relevant personnel will receive notifications about these items in the form of an email message.

Flags are intended to warn students that they need to take some action. Assigned academic counselors are also notified of these flags because they are a key resource to students who may not know how to best respond to the warning.

Once a flag gets a student's attention, the flag has done its job.

Flags (Alerts/Notices)	Referrals you can Make		Kudos (Positive Feedback) you can Share
• Attendance/Participation Concern • Low Quiz/Test Scores • Missing/Late Assignments • General Academic Progress Update • At Risk of Failing • Intervention Needed • General Concern *3 or more flags triggers internal triage workflow to appropriate counselors.	• CalWORKs • Career Center • Counselor • EAC • EOPS • Financial Aid • FYE • Health Center	• Library • Personal Counseling • Program Dean • STEM Center • Student Food Pantry • Transfer Center • Tutoring • Veterans Center	1. Great Follow Through 2. Keep up the Good Work 3. Outstanding Academic Performance 4. Showing Improvement

How to provide feedback using Starfish

1. Progress Surveys - academic surveys are administered several times a semester to help alert students to their overall academic progress in the course(s).

2. Individual Flags and Kudos - can be raised anytime during the semester and is ideal for faculty who have individual concerns or praise about a student.

When you have a concern with a particular student, raise a flag to communicate your observations.

1. Once logged in to Starfish, click on the Students tab.
2. Find the appropriate student by searching for the student's name, 900# number, or by using the Connection dropdown to view your students by connection (advisor, instructor, specific class, etc.).
3. Click on the box to the left of the student's name and select Flag (or Kudos or Referral). Only instructors are able to raise certain flags.

- The Flags displayed will depend on your connection with the student.

Raise Flag for [Never Mind] [Save]

★ Flag: At Risk of Failing

Course Context: General Human Anatomy (ANAT-R101 30217)

★ Comment: Please describe the student's situation and what they may need to do next.

Student View: The student can view this item and the notes entered above.

Permissions: People with the following roles may be able to see this tracking item if they have a relationship with the student(s):

- Academic Leadership
- CalWORKs Counselor
- Campus Counselor
- DSPS Counselor
- District Counselor

[More...](#)

- For the Flag you raise, be aware of who can see the specific item. After you select a specific flag, you will see **Student View** and **Permissions**. Make sure the comments you include are appropriate for the audience that will read them. **Students and counselors are able to view the comments for almost all Flags and referrals.**

- When finished, click Save.

IMPORTANT: When you raise a tracking item, the student will receive an immediate email notification for each flag, kudo, and referral. *These emails include any comments you entered.* In all of the templates, instructors have an opportunity to outline details of the specific concern or praise in the comments section. The message template also encourages the student to see you to discuss any concerns. A copy of each message is sent to the student's academic counselor and other key student support staff who may also be working with the student.

What happens when you raise a flag or kudo?

- Students will receive a pre-configured email that *includes your comments*.
- Students are encouraged to reach out to you for additional information about these comments.
- Students are sent links to campus resources.
- Academic counselors can see your comments for their assigned students.

Who closes flags that are raised?

Faculty are expected to clear any flags raised for a student as soon as possible and before the beginning of the next term. A flag should be cleared when any of the following apply:

- The student responded to communication attempts
- The student did NOT respond to communication attempts
- The concern is no longer relevant
- The flag was raised by mistake

Note: Intervention Needed, General Concern and 3+ Flag Flag that are raised can be cleared by counselors and referrals cleared by referring office.

How to Clear Tracking Items You Created

1. Open Starfish and click on the triple bar icon (☰) in the top left corner then click on Students
2. Click on Tracking
3. Select the student and click on Resolve
4. Add a comment and click on submit to clear the flag.

For additional information on Starfish, please visit the website at:
<https://www.vcccd.edu/departments/information-technology/starfish>.

Posting Grades & Positive Attendance Hours

Process your grades and hours from any computer that has Internet access!

The Faculty Resource Center (FRC) is located in Condor Hall Room 334. The FRC has computers, printers, scanners and equipment.

It is very important that final grades be submitted in a timely fashion (no more than two working days after the end of final exams.)

- Grades must be posted and reviewed before Financial Aid can be awarded. **Financial Aid needs to calculate the Standards of Progress and all grades must be posted by the grade submission deadline. If grades are delayed, so are FA awards, which means students don't have disbursements early enough to get textbooks at the beginning of the semester.**
- The new California Community College Promise Grant. Academic standing cannot be run until all grades have been submitted.
- Pre-requisite drops cannot be run until all grades are in.
- Students need to know if they have to repeat a course. A timely submission will allow students to plan out their schedule, and register for another class if needed.
- Students who are applying for job promotions, employee reimbursements and employment opportunities may be compromised in their efforts to pursue such opportunities if their transcripts are not up-to-date with all grades reported.
- Final transcripts cannot be processed in a timely manner.
- Students who are awaiting admission decisions from Universities will experience delays until grades are posted.

You are now required to input the last date of attendance for any students who receive an "F" or "NP" grade. Your online grade roster will return an error if an "F" or "NP" is awarded without the attendance date. **PLEASE NOTE THAT AN ERROR WILL PREVENT ALL GRADES FROM BEING SUBMITTED UNTIL THE REQUIRED DATE IS PROVIDED! IF A STUDENT ATTENDED ALL SEMESTER AND EARNED AN "F", THEN THE LAST DATE OF ATTENDANCE SHOULD BE THE LAST DAY OF THE TERM.**

Positive attendance courses meet less than 5 times in a semester, are designated as open entry/open exit, short-term courses including "hours by arrangement", or have an irregular meeting pattern. Your Final Grade Roster indicates if your class is considered a Positive Attendance course by a blank "Attend Hours" box. Attendance hours must be recorded and totaled at the end of the course. Hours are submitted simultaneously with the grade on your Final Grade Roster in the "Attend Hours" box.

All students that enrolled in your course will appear on your final grade roster, even if they dropped the course. Please record all hours for all students (including students that dropped with a "W"), as apportionment is based on total posted hours.

Both primary and secondary instructors have web access to class and grade rosters.

The hours will be reported online using the Final Grade roster at the same time you submit your grades.

- 1) Go <https://my.vcccd.edu> to access the "Faculty" portal
- 2) Log in using your "Username" and personal "Password"
- 3) Click on "Faculty" tab
- 4) Click on "Post Grades" under faculty self service
- 5) Select the current term and click the submit button
- 6) Select the correct CRN and click the submit button
- 7) Grade students by selecting the appropriate grade from the drop-down box in the Grade column (positive attendance course – post hours).

General Information on Grading Practices & Procedures

- All final grades and positive attendance hours are due online no later than 2 days after the final exam for the course. (See AFT Contract)
- Short-term classes – grade within 2 days after final exam.
- You may only submit appropriate grade mode symbols for each student – in most cases this will be a letter grade, but if the student has elected the Pass/No pass grading option, or courses mode is designated as P/NP the online grade roster will only accept grades of P or NP.
- You may award **Incompletes** online as long as you also indicate the default grade. The default grade will replace the incomplete after two semesters, unless you submit a grade change to A&R in the interim.
- **You must complete the "Incomplete Student Agreement"** that details the work to be completed, which confirms the default grade, and submit to A&R. These forms can be submitted electronically and can be accessed from Faculty tab, click on Faculty Forms.
- Students who appear on your grade roster must receive a final grade unless already posted with a W grade. You may not award a "W" grade for any student still actively enrolled after the final drop deadline has passed. Students, however, have the right to petition to have a grade changed to a "W" based on demonstrated extenuating circumstances. Students requesting to have a grade changed to a "W" should be referred to the Admissions and Records Office.
- There is a 30-minute time limit for submitting grades to the online roster. If you anticipate that it will take longer than 30 minutes to enter your grades, please click the "Submit" button often to ensure that you do not lose the grades you have already entered.
- You may change online grades on the same day you submitted them. An overnight process rolls the grade to student academic history requiring a manual change by A&R staff based on approved grade change petitions.
- For positive attendance-type classes, enter the positive attendance hours on the final grade roster at the same time you submit your grades. Most classes are not positive attendance, so the HOURS column will say N/A.
- Students can view their grades on MYVCCCD on the following day that they are posted. **Student complaints regarding late grade submission are directed to your division dean.**
- **You are required to input the last date of attendance for any students who receive an "F" or "NP" grade.**

Hints for Successful Online Grading

If you are grading students for multiple CRNs, click on "Return to Menu" at the top right of the screen and click on "CRN Selection". After the correct CRN is selected, click on submit and select "Final Grades". Do only AFTER you click the "submit" button for each CRN.

If you **have more than 50 students**, there is an option at the top and bottom of the roster to proceed to students "**51 -?**" and so on.

Record Sets: [1 - 50](#) [51 - 100](#) [101 - 108](#)

- You can award an Incomplete with default grade online, but you must still complete and submit the appropriate paperwork to the Admissions Office.
- If a student's name shows up on your grade roster who you believe had dropped the class, it means the student is still actively enrolled and must receive the appropriate grade. The student may petition for a late "W" based on documented extenuating circumstances.
- Plus (+) or minus (-) grading is not available.

The column "**Grade**" indicates the grade mode of the class or the grade mode the student has chosen for the class. Please assign grades as follows:

If the grade column is a letter grade, assign a letter grade of "**A**", "**B**", "**C**", "**D**", "**F**" or "**I**" with default grade, (grade to be issued should the Incomplete grade not be made up within 2 semesters (e.g. IF). If assigning an incomplete grade due to unforeseeable, emergency, or justifiable reasons please meet with the student and discuss make-up options and have student sign the Incomplete Grade/Student Agreement (Downloadable form on my.vcccd.edu). Submit the signed agreement to the Admissions Office after the grade is posted. Plus/minus grading is not available. Note: An "IC" does not stand for incomplete. If you award an "IC" you are awarding the student an incomplete with a default grade of a "C". A student that is awarded an "IC" will receive a grade of "C" if they don't make up any work within a year.

If the course is offered on a pass/no pass grading or the student has petitioned for a pass/no pass grading option in lieu of a letter grade, assign a Pass (P) or No Pass (NP) grade. If the student earned an A, B, C grade would receive a Pass (P). If the student earned a D or F grade would receive a No Pass (NP).

Important Information

District employees are assigned an Employee User Name (i.e.: jdiaz). To login to MyVCCCD, provide your "User Name" and personal Password. If you forget your Password you may reset it by clicking on forgot password. You will be prompted to enter you MyVCCCD username. An email will be sent to your Password Reset Email address for instructions to reset your password. If you are unable to reset you password, please contact the District IT help desk at 805-652-7777 for assistance.

Student ID - In order to provide students with additional security and confidentiality, the colleges of the VCCCD assign student ID numbers, replacing social security numbers as the primary student identifier. The student ID will appear on notices from the college and all faculty rosters. Social security numbers will still be collected for such purposes as, financial aid, and Hope Scholarship Tax Credit reporting, and only the last four digits will appear on official transcripts.

Faculty MyVCCCD

Offline from **3:00 am – 6:00 am daily** for system maintenance.

Registration Code Definitions:

- RE Registered at A&R office
- RI Reinstated after a drop
- RL Registered from the Waitlist
- RW Registered on web
- DN Drop with no refund
- DR Drop with a Refund
- DW Drop with a "W"
- MW Military Withdrawal
- AU Student Auditing Course. Will appear on the last page of your roster if you have any audit students. Audit students will have access to CANVAS.

Students receive a confirmation number when they drop via MyVCCCD. Instructor, student, and administrative drops appear at the bottom of your class roster (below the Add Authorization Codes on the web Summary Class Roster).

Faculty Drop Error - If you drop a student in error you can reinstate the student - please complete and process a Reinstate Request located on the Faculty tab under faculty self-service, located under Faculty Forms - OC. The Reinstate Request also requires the approval of your dean. Once approved by the dean, the form will be routed electronically to the admissions and records office so it can be processed.

Add Authorization Codes (assigned by faculty) **WILL BE ISSUED THE 2ND WEEK OF THE SEMESTER** - Please advise students with add authorization codes to register online at MyVCCCD.

Requests for additional add authorization codes must be requested through your Dean.

After a student registers with an Add Code, the student name is added to the class roster with the assigned add code number next to the student name, thus removing the code from the add authorization list at the bottom of the Summary Class Roster. **The following add deadlines only apply to full-term courses.** Short-term courses have shorter deadlines and appear on the top, left side of the faculty roster.

Add Deadlines for Full Term Courses (Fall and Spring Terms)

1st Week	Class Open/Closed	No Add Code Required – Register Online **Waitlist Process Remains Active for Full Term Courses **
2nd & **3rd Week	Class Open/Closed	Add Authorization Code Must register online with authorization code. Waitlist process is no longer active. **The 3rd Week is reserved for students who have been attending but have not yet added the course.
4th Week	Compliance to regulatory and other Requirements, NO students will be added to classes after census.	

Short-term courses: As a general rule, short term course deadline dates for all California Community Colleges are determined as follows (deadline dates are located on the top of your Roster and on the searchable schedule by clicking on the CRN:

Refund Deadline:	10 % of class session	No "W"/Pass/No Pass Deadline:	16% of class session
Add Dead- line:	15% of class session	"W" Deadline:	75% of class session

Pass/No Pass Grading Option: Some courses are offered on a **Pass/No Pass** basis only. The second category of Pass/No Pass options are courses designated by the college wherein each student may elect by no later than the end of the first 30 percent (Full term courses) of the term or length of the class whether the basis of evaluation is to be Pass/No Pass or a letter grade. Once the 30 percent deadline has passed, the request cannot be withdrawn. It is the student's responsibility to notify the instructor of his or her intent to be graded on a Pass/No Pass basis and to file the appropriate form: otherwise a letter grade will be assigned. The petition for this purpose, "Request for Pass/No Pass," is available in the Admissions & Records Office or on the college website.

Grades and positive attendance hours are officially **due two working days after finals, per AFT contract**. The timely reporting of grades is essential to student progress and success. If grades are delayed, students may be denied admission or registration privileges at their transfer school, eligibility for financial aid or scholarships, employment or job promotions. You may post student grades as soon as your class ends. *Delays in processing official transcripts could delay a student's academic progress and lead to possible litigation for the instructor.*

Pre-requisite Course – Students using add authorization codes to enter your class will be blocked if they have not met the prerequisites for the course. *Students are not officially enrolled until their name appears on your current summary class roster.*

Student Phone Numbers/Addresses are located on myvcccd. Select Summary Class Roster and click on the student's name.

Email Your Class – *An option is available to send emails to all students in your class or a specific student!* The email will be sent to the college assigned email. If student has a different email address, please encourage students to forward their college emails. Emails will also be sent to any student that is auditing a course.

Fees - All fees are due immediately. Students who do not pay their fees or arrange for payment will be dropped from their classes and required to re-enroll.

Students that are registered through the waitlist will have seven days to pay before they are dropped for non-payment.

Canvas – Distance Education Courses

- Canvas can be accessed via the MyVCCCD portal and clicking on the My Courses icon. You can also access Canvas directly using your portal credentials at <https://vcccd.instructure.com>.
- Enrollment updates are posted to Canvas once per day at ~7:00am. If your student just enrolled in an online course but cannot access Canvas or see their newly enrolled course, please have them try again the next day after 7am. *Note: During the first 2 weeks of the semester, two uploads are done (7 am and 4 pm).*
- Student's waitlisted to online courses will have access to Canvas until the end of the 2nd week of the semester for full term courses (3 days for short term courses).
- If you are unable to access Canvas, please contact the District Help Desk Monday through Friday 8:00 a.m. to 5:00 p.m. at (805) 652-7777.
- For technical problems or errors with Canvas, please contact technical support at (844) 603-4262 (24 hours a day/7 days a week).
- Instructor Support Services are available by contacting Ashley Chelonis or Janet Dawald at ociss@vcccd.edu.
- Waitlisted students in a DE courses will show up with a role of "Waitlist". Faculty can drop waitlisted students via the drop roster.

Online Rosters provide you with real-time information. You can periodically check student enrollments, for drops, and adds utilizing the add authorization codes you have given out. By clicking on the student's name, you can access their mailing address, phone number or send them an e-mail.

The rosters also provide key dates you will need to know – the census date for your class is printed above the CRN and course title. The deadlines to drop with or without a “W” are printed just under the instructor's name.

To ensure an accurate account of enrolled and waitlisted students, it is recommended that faculty print their class rosters on the first day of instruction. **The waitlist will continue to process during the first week of the semester for full-term courses, with add codes being issued the 2nd week of the semester.** Check your online roster often during the semester.

Note: The waitlist process for short term courses ceases as of the first day of instruction. A student adding a short term class will need an add authorization code as of the first day of instruction to add.

MyVCCCD Portal

Go to <http://my.vcccd.edu> and enter your "Username" and "Password". NOTE: On occasion, the portal will insist that you come to it from the Oxnard College website. If you get an authentication, error and you know your credentials are correct. Please go to the OC Website home page at <https://www.oxnardcollege.edu/> and click on the MyVCCCD PORTAL Icon. You can also download a mobile version.

The login page features the MyVCCCD logo at the top left, followed by three circular icons. Below these are four buttons: 'Sign up for an account', 'Sign up and Log in help', 'Student Support', and 'Faculty Support'. A login section contains fields for 'Username' and 'Password', a 'Login' button, and links for 'Forgot username?' and 'Forgot password?'. A copyright notice at the bottom reads: 'Copyright © 2013 Ventura County Community College District. All Rights Reserved.'

The dashboard is divided into four main sections: 'MyCollege', 'Faculty', 'Work Life', and 'Employee Information'. The 'Faculty' section is active and contains three sub-sections: 'Faculty Self-Service', 'HigherEd News', and 'Faculty Quicklinks'. 'Faculty Self-Service' lists links for class rosters, schedules, grades, and forms. 'HigherEd News' features articles from 'The Chronicle of Higher Education' and 'Inside HigherEd'. 'Faculty Quicklinks' includes a college selector (Moorpark, Oxnard, Ventura) and a list of links for Oxnard College, such as the academic calendar, senate, and contracts.

Drop Roster

Process “No-Show” or inactive student census drops, after-census drops AND Activate “No Drops to Declare” Button

To drop a student, click the **Drop** box. A check mark will appear. When done, click the **Submit Students** button at the bottom of the page to complete the transaction. Click the **Submit Students** button before leaving each page or your transaction will not process. Confirmation of the drop will appear in the Reg Status/Date column.

If the deadline to drop a student has passed, you will receive an error message and the drop will not be processed. **DROP DEADLINE:** The absolute last chance to drop a student is the end of the 14th week for full semester classes or 75% of a short-term class. Remember, if a student is still enrolled in your class after the drop deadline, you will be required to assign a grade other than W at the end of the semester.

If you drop a student by mistake, you may re-instate the student through your Records Office. Please contact them for assistance.

For a more detailed explanation of the drop codes, please see the Help menu.

Please click the Submit Students button often. There is a 30 minute time limit on this screen.

Submit Students

Reset

Please click the Submit Students button often. There is a 30 minute time limit on this screen.

If you drop a student by mistake, please complete a “Reinstate Petition” form located in the Faculty tab under faculty self-service – OC Faculty Forms.

It is critical to drop no shows or students that stop attending or actively participating prior to census. If you award a student an “F” or “NP” and input a last date of attendance prior to census...we cannot claim apportionment for that student. Students who stop showing up prior to census should be dropped via your “drop roster.” Allowing students to remain on your roster who stop attending and indicating a date prior to census opens the college to potential audit issues. For this reason, we have to retroactively drop these students from our MIS data that we submit to the state for funding. This translates into a funding lost for the college.

Equally problematic is that there are potential losses in terms of financial aid. Because our records show these students enrolled in classes, if they were on financial aid, they received funding based partially on these units.

Please make sure to drop all students who either never showed up or who stopped attending class **prior to census**. If you think someone is still attending but you realize a couple of weeks after census that they are no longer coming to class, please drop them immediately. Financial Aid will catch this change in units and adjust the mid-semester disbursement.

Post Grades

Post grades, positive attendance hours and last date of attendance for any "F"s or "NP"s awarded.

Submit Reset

▲ Please submit the grades often. There is a 30 minute time limit

This grade roster only requires the grades to be issued. The hours attended are not required because it is not a positive attendance class. (Note: None in the "Attend Hours" box.)

A Positive Attendance course will have a box to input the hours in the "Attend Hours" column. In addition to the grade, the hours of attendance for each student must be keyed into the "Attend Hours" box. Hours must be posted for every student, including those that appear on the grade roster with a drop designator.

Example of a positive attendance course: ↓

Faculty Electronic Forms:

The forms can be accessed on the Faculty tab under OC Faculty Forms.

The forms have been developed to save time and resources by routing the forms electronically. The online forms provide a paperless solution to processing forms, thus eliminating the need to mail, email or print the forms. The forms are accessible on and off campus securely via the MyVCCCD portal. Once approved, the form will be routed electronically to the Admissions and Records Office so it can be processed.

The electronic forms are available on the Faculty tab under OC Faculty Forms. Below is a list of the forms that are available in an electronic format:

- Census Certification Deadline Exception
- Incomplete Grade Change
- Positive Attendance Record Submission
- Late Add Request
- Incomplete Grade Agreement
- Grade Change Request
- Reinstatement Petition

Faculty will be notified during the approval process.

- Faculty will receive a confirmation email when the form is submitted.
- Faculty are notified when the form is approved throughout the approval process.
- Reminders are sent to the approvers when a form is awaiting their approval in OnBase. Dean admins will be cc'd in the reminder emails.
- Faculty are notified after the form is processed by A&R.

Please click on the link below to access a quick tutorial on accessing and submitting the electronic forms.

https://vcccdventura-my.sharepoint.com/:v:/g/personal/jdiaz_vcccd_edu/EdJawi_q3KxHoqoMaAb0sEQBVhXDp8v2lxCHCtv8tFr1Ig?e=zWhntnT

Records, Drops, Waitlists, Canvas & More

How long should I keep my instructional records?

In order to comply with the audit standards of California Community Colleges, faculty records relative to student academic performance, grades and attendance hours should be kept for a minimum of five years after the year in which they were created.

When will the add authorization codes be available?

Add authorization codes will be available the 2nd week of the term. Once the add codes have been generated, they can be accessed online through your rosters.

Will the waitlist process continue as of the 1st day of instruction for short-term courses?

No, the waitlist process will cease as of first day of instruction for short-term courses. Students attempting to add a short-term class as of the 1st day of instruction, will be prompted for an add authorization code. Add authorization codes will be generated for all short-term courses that start in 1st week of the term. If the add codes were not generated for your short-term class, please contact your dean for assistance.

Note: The process described in this question is only applicable to short-term classes.

Can I drop students on the waitlist?

Yes, faculty can drop students from the waitlist. Students can be dropped online through your drop roster.

Will students have access to Canvas if they are on the waitlist?

Yes, waitlisted students will have access to Canvas for **14 calendar days** (3 days for short term classes) after the class starts..

What does the Summary Class Roster Provide?

- The course reference number (CRN) and meeting dates/times of the course
- The census date that applies to the course
- The deadline date for drops with and without a "W" grade
- The names and ID numbers of all currently registered students
- The names and ID numbers of students on a waitlist for the class, in priority order based on the day and time they placed themselves on the waitlist.
- A separate list (bottom of the page) of any students who drop the course after the first meeting.
- Access to students' addresses, phone numbers and email addresses
- A list of add authorization codes (bottom of the page) that instructors may give to students if authorizing to enter the course. Codes are issued the 2nd week of the primary term.

Can I print my roster?

Yes. You have the options of printing a single roster for one class, or printing multiple rosters for some or all of your classes.

What if I can't print my roster because the Instructor is still listed as "STAFF"?

Contact your Dean's Office. Support staff can provide you with the necessary rosters, and add authorization codes. If unavailable contact the Admissions Office.

Make sure that all of your paperwork has been processed through HR. You will not be listed as "Instructor of Record" until this is done. You will be unable to access your faculty website to process drops or report early alerts. You can process "No Show" drops in Admission until the problem is resolved.

How does the waitlist work once my class has closed (has reached maximum seat count)?

Once the enrollment in your class reaches the maximum seat count, the class is closed to registration and students have the option of placing themselves on a waitlist (5 maximum). The waitlist will continue to be active through the first week of the semester. If students drop the first week or faculty drop No-Shows it will move students from the waitlist into the class. If you still have waitlisted students the 2nd week of the term you can issue an Add Authorization code in the order in which they appear on the waitlist roster.

IMPORTANT: Students have through the first week of semester to add themselves to the waitlist. You will want to print a roster on the first day of class for an accurate picture of the waitlist. **The waitlist process will remain active through the first week of the semester for full-term courses. Add Authorization Codes will be issued the 2nd week of the term.**

What if my class is closed on the first day but I have no waitlisted students?

In this case, advise the students attempting to add your class to place themselves on the waitlist. If the students are still on the waitlist as of the second week, you will need to give them an add authorization code to register online. The add authorization codes will be available in the 2nd week of the term.

What are Add Authorization Codes?

Add authorization codes allow students to add a CLOSED CLASS using the **MyVCCCD Online Registration** system. Five unique add authorization codes have been generated for each of your classes. Additional codes must be requested through your division dean. Please observe the following:

- The add authorization codes are listed at the bottom of your online Summary Class Roster and at the bottom of your printed Basic Roster, **issued the 2nd week of term.**
- Every student you agree to admit to your closed class must receive an add authorization code. Students cannot register without this code.
- Students should be directed to MyVCCCD online services to add a closed class using the add authorization code. They must drop themselves off the waitlist and re-add the course.
- Each add authorization code is unique, and can only be used once.
- Your online rosters will identify students who have added using the authorization codes, so you can more easily track late enrollments into your classes.
- All add authorization codes expire on the day before the census date for each class.

When do I use the Online Drop Roster?

CENSUS REPORTING

Faculty is required to report census activity early in the semester as follows:

- 1) Know the census date for each of your classes – it is on your Roster Selection Menu, top left side above the CRN.
- 2) File your census report using the online drop roster before the census date for each class you teach.
- 3) **Drop all “No-Show” students (zero attendance) or any students that are no longer actively attending before the census date–required by law.**
- 4) If you have no drops to report for census, Click the button at the bottom of the page that says “No Drops to Report”. Note: You are still required to click on the no drops to report button to confirm your class enrollment.

The census reporting deadline is always the day before the census date. If you miss the deadline come to the Admissions Office to file the necessary paperwork required for audit accountability.

POST-CENSUS DROPS

- After the census date, faculty may drop students who have quit attending through the deadline to drop with a “W” grade.
- **Return to Title IV Drops:** In accordance with federal law, if a student who has been awarded Title IV financial aid withdraws, is withdrawn, stops attending, or fails to earn a passing grade in a semester, Oxnard College must calculate the amount that must be returned by the school and/or student to Title IV programs. To ensure the accuracy of Title IV calculations and to prevent the college from paying these fees back, please make sure you drop students that are no longer actively attending.

Whose responsibility is it to Drop?

Faculty is mandated to clear rosters of inactive enrollment (No shows and students no longer actively attending/participating) prior to the census date. After that date, it is the student's responsibility.

While it is the student's responsibility to drop after census, it is highly recommended that faculty drop students that are no longer actively attending. Dropping after census will allow financial aid to accurately calculate the 2nd financial aid disbursement for students. It will also allow A&R to satisfy the 30 day reporting requirement for Veterans using GI Benefits when a change in the student's schedule occurs.

When can I post student grades?

The timely reporting of grades is essential to student progress and success. If grades are delayed, students may be denied admission or registration privileges at their transfer school, eligibility for financial aid or scholarships, employment or job promotions. You may post grades as soon as your class ends.

- 1) Grades are officially **due two (2) working days** after the last day of the term per AFT/VCCCD contract
- 2) Your students have immediate access to their grades
- 3) POSITIVE ATTENDANCE hours are also recorded on the final grade roster,

- 4) If there is an open box for each student in the column called "Attend Hours", the class requires that the instructor record the actual hours that each student attended during the semester.
- 5) Caution: There is a 30-minute time limit on the grade roster, so click the "SUBMIT" button often!
- 6) See the information on Grading Practices and Procedures in this packet.

What is a Positive Attendance class?

When you teach a positive attendance class, you are also required to keep a detailed record of each student's daily attendance hours. The records must be in a legible manner that can be clearly interpreted by others (such as auditors). Every year the college is audited and if your class is selected for the audit then you will be required to provide documentation of the student's daily attendance hours.

The funding for positive attendance courses is solely based on the number of hours inputted so it is very important that you keep a detailed record of the student's attendance.

When you input the final grades, you will also be required to input the hours of attendance for each student. Any course that has a regular meeting time and hours by arrangement, then the total hours reported will be the total for both the meeting time and the hours by arrangement. The following are examples of positive attendance classes:

- Short term classes that meet less than five times
- Short term classes that include "hours by arrangement"
- Full term classes with irregular meeting times

To ensure that we have the necessary attendance records for future audits, the attendance records for positive attendance courses must **now be submitted to A&R at the end of every semester**. This will avoid the tracking down of these records during an audit. When you submit your records please make sure they are legible and you sign the documents.

How do I award a grade of Incomplete?

- 1) Select "OC Faculty Forms" from the Faculty tab under faculty self-service.
- 2) Download and print the **"Incomplete Grade Petition"**
- 3) On the final grade roster, award the student an incomplete and the default grade that will replace the incomplete in one year if the student doesn't complete the work.
- 4) Complete the petition. Provide one copy to the student and one to the Admissions Office. Keep a copy in your files.
- 5) When a student successfully completes the required work, fill out the "Request to Change Incomplete Grade." Submit the form to the Admissions Office. Keep a final copy for your files.
- 6) Students that receive an Incomplete Grade do not enroll in the course during the following semesters.

What if I need to change a grade I have already posted? (A grade may be changed online the same day you did the posting; if it is later than that, follow these steps:)

- 1) Select the Grade Change Request from the Faculty tab under faculty self-service.
- 2) The form will be routed electronically to your dean for approval.
- 3) If approved, the completed petition will be routed electronically to A&R for processing.

How does a student add a course with an add code?

The student must complete the following steps to add a course with an add code.

- 1) Go online (my.vcccd.edu) and drop the waitlisted class.

Current Schedule
