

## AUTOMOTIVE BODY AND FENDER REPAIR

### Associate In Science Degree Certificate Of Achievement

The Automotive Body, Painting, and Fender Repair program at Oxnard College prepares students to enter the industry as entry-level technicians and provides continuous skills improvement training for employed technicians in the field. Students can complete a Certificate of Achievement and an Associate of Science Degree if the necessary general education requirements are completed. The program emphasizes hand-on training in body, fender, collision repair, painting, and automotive graphics so that students have the skills necessary to gain employment in the industry. *For more information contact: Jose Ortega (805) 678-5047 [jortega@vcccd.edu](mailto:jortega@vcccd.edu)*
