

# BUSINESS ADMINISTRATION

## ASSOCIATE IN SCIENCE FOR TRANSFER

The Business program offers a variety of courses in business leading to the degrees of Associate in Arts and Science and Certificates in Business and Business Management. In addition to the major coursework, which emphasizes business and accounting practices, the business program combines studies in computer information systems and meets the needs of students targeting careers that meld knowledge of business and information systems. *For more information contact: Timothy Fontenette (805) 678-5266*
