

FIRE FIGHTER I/II ACADEMY Certificate of Achievement

This program includes the Oxnard College Regional Fire Academy (OCRFA) – FT R170 Fire Fighter I/II Academy, and its two prerequisite courses, EMT R169 – Emergency Medical Technician and FT R151 Fire Protection Organizations. The OCRFA provides the skills and knowledge needed for the entry- level fire fighter, career or volunteer, to perform duties safely, effectively, and competently. The seven overarching themes of the California State Fire Fighter I/II curriculum are: general knowledge germane to the profession, fire department communications, fireground operations, rescue operations, preparedness and maintenance, wildland suppression activities, and hazardous materials/WMD. All exams require an 80% passing grade for all academic and manipulative tests per State Fire Marshal requirements. Students are expected to obtain all required uniforms and safety equipment. State certification costs are the responsibility of the student. Field trips are required. Admission to the OCRFA is open to all eligible students and very competitive. A point rating system is used during the cadet selection process. Explanations regarding this process can be accessed from the "Apply to the Academy" link found on the Oxnard College Fire Academy home page. Prerequisites to apply consist of a valid NREMT or California EMT Certification, successful completion of FT R151 Fire Protection Organizations, Medical Clearance, and Lung Function (Spirometry) Test. Academy applications are comprehensive and will only be accepted if complete. *For more information, contact: Public Safety Division Office 805-678-5115.*
