Nothing for the next week

Welcome to the Oxnard College Regional Firefighter I/II Academy, FTR 170

Public Safety Division,
located at the Ventura County Regional Training Center in Camarillo

The Oxnard College Regional Firefighter I Academy was founded by Ed French back in 1997. Since then, thousands of cadets have graduated and been hired by agencies across the state and nation. Firefighter curriculum has upgraded significantly since then. The Public Safety Division and OCRFA were recently reaccredited in February, 2020 by State Fire Training, SFT, and the International Fire Service Accreditation Congress, IFSAC. We have adopted State Fire Training's, Firefighter 2019 curriculum and will be teaching our first combined, Firefighter I & II, Academy in a new established hybrid format. We are extremely proud to participate in delivering curriculum to meet the times. Our 19 unit, 17 week semester course is packed with training and education. Your families will proudly sit at graduation as they watch their favorite battalion cadet walk the stage.

Congratulations on your successful completion of the OCRFA, Fall 2020, Firefighter I & II Academy Application Process.

WELCOME!
