

Classified Senate April 2022 Newsletter

Welcome to our April Newsletter. We have had a very busy month as commencement approaches but we hope you have had a wonderful month. While this month we do not have any new employees to welcome, we do have a couple shout-outs, birthdays, and anniversaries to celebrate.

Birthdays this Month

Join us in wishing two of our Classified Senators a Happy Birthday

- Dalia Guerrero - April 5
- Berenice Rodriguez - April 9

Work Anniversary

Dalia Guerrero is also celebrating 3 years at Oxnard College this month. Thank you for all you do, your hard work is noticed and appreciated.

Employee Shout-Outs

We would like to recognize Ariane Perez this month as she always goes the extra mile. She is someone you can always count on, very resourceful, professional, and friendly. Ariane is the definition of team player. Thank you for all you do.

We would also like to highlight the entire Financial Aid Office. They are always team players and always willing to participate in all outreach events. The entire team goes above and beyond for our students. "Out of all the FA offices I have worked with, I have never seen a group of people work so hard to ensure students are taken care of." Thank you Financial Aid!

OC Fridays

OC Fridays is a series of Fridays that began in March. High school seniors from our local service area come to OC and have a chance to meet with a counselor, follow up on their FAFSA, complete the orientation, and review our pathway options. Doing this earns them priority registration. Currently, 95% of the students attending are sure OC will be their next step in the summer or fall semesters. April will host CIHS, Rio Mesa, Hueneme and Pacifica.
