CLASSIFIED SENATE NEWSLETTER

Hello and welcome to May's edition of our Classified Senate Newsletter. May is an extremely busy month for everyone so we will keep this month's newsletter as short as possible. We would like to start by wishing a very Happy Mother's Day to all the amazing mothers. We hope you had an amazing day with your loved ones. Graduation is right around the corner so we would like to send a big "Thank You!" for all the hard work you have done this spring semester. Your work, whether big or small, makes a huge impact on our campus and on our students. We know classified staff will continue to work through summer but we hope you find little time to yourself. With that being said, we are all going through a transition with the events that have recently occurred. It is our hope that everything is resolved in a timely manner but let's keep in mind that our focus and priority must remain on our students.

DON'T FORGET

Graduation is scheduled for Thursday, May 19th.

This will be the first in-person graduation we will be having since the pandemic AND this may be the first commencement some of our students get to experience since HS graduations were cancelled. If you are able to attend, we encourage you do so. It would be great to show our support for our students on such an important day!

CELEBRATIONS AND GOODBYES

Help us in congratulating our Vice President, Berenice Rodriguez, as she celebrates eight years at Oxnard College this month.

We want to wish a very HAPPY BIRTHDAY to our Academic Senate President, Dr. Amy Edwards, who celebrates her birthday on May 11th.

We are sad to say goodbye to two Classified Staff who have done so much for our college. They will both be greatly missed.

Allie Frazier has accepted a promotion as the Marketing, Communications, and Web Design Coordinator for the District Marketing Department. She has been with us since 2020 as the Senior Administrative Assistant for Chris Renbarger, VP of Business Services. Her last day at OC is May 13.

Jimmy Rivera will be retiring as one of our amazing custodians after over 30 years of service to our college. From everyone at OC, we would like to thank Jimmy for all his hard work and dedication to our college. Jimmy, we hope you enjoy your retirement, you deserve it. M&O will be having a retirement party for him. Please see the invitation below.
