## EMERGENCY AID GRANT

Oxnard College Academic Senate, Classified Senate, Associated Student Government, and Oxnard College Foundation have collaborated to create the Student Support Fund -- a financial resource designed to assist students experiencing an unforeseen financial situation, hardship, or "emergency" that temporarily jeopardizes one's ability to continue their studies. Emergency is defined as, "An unexpected or unforeseen expense, event, or circumstance that could cause a loss of momentum toward student success."

These funds are intended to be used as a resource to provide a limited, one-time monetary grant to a currently enrolled Oxnard College student who is taking **at least 6 units**. Funds granted to students will impact a student's Financial Aid and will be applied towards your "unmet need". This aid is subject to available resources. Please complete the questions below. By submitting your application, you are certifying that this information is accurate. If necessary, we may ask you to verify the information you have presented.

**Please email the completed application to: [ocfinaid@vccd.edu](mailto:ocfinaid@vccd.edu)**
