Upon successful completion of this program, students will be able to:

- Explain the principles of engineering and their application to the design and manufacturing of products.
- Critically evaluate a given system through observations, measurements, and accepted engineering analyses.
- Apply physical laws, engineering concepts and formulas to analyze engineering problems and to produce proper solutions qualitatively and quantitatively.
- Communicate engineering design ideas and solutions to problems through engineering drawings, oral presentations, and technical writing.

English

The English program offers a wide variety of courses leading to the degree of Associate in Arts for Transfer. Students can take the full range of literature survey courses required to transfer as an English major at our local public universities including CSUCI, UCSB, CSUN, UCLA. The English program offers multiple sections of degree-applicable and transfer-level writing courses to give students the writing skills to succeed in college, to write in the workplace, and to meet university transfer requirements.

All students can enroll directly into ENGL R101, which is transfer-level.

- Classes are offered in traditional classroom formats as well as partially online or fully online formats. Some sections of ENGL R100, and ENGL R101 have additional support for students who wish for extra help in writing.

To determine which class or classes that have co-requisite support is the right class for you, see the English Informed Self- Placement as well as a counselor and use the English Placement Recommendations for help in choosing the appropriate English class. English also offers honors classes ENGL R101H and ENGL R102H.

In addition to the many literature courses offered each semester, there are regularly scheduled courses in creative writing. Literature and creative writing courses are offered both online and in the classroom. A degree in English prepares students for a variety of career opportunities in which the ability to read insightfully, think critically, and write clearly are necessary skills.

Please see the English department website (<https://www.oxnardcollege.edu/departments/academic/english/>) for more information regarding support course enrollment.

See the UC Transfer Course Agreement (p. 105) page or www.assist.org (<http://www.assist.org>) for current limitations.

NOTE: The UC limits enrollment in some courses. See the UC Transfer Course Agreement (p. 105)page for details.

ENGL R095 College Reading Across the Curriculum 3 Units

Same-As: ESL R095

Advisories/Rec Prep: Reading ability commensurate with high school level or ENGL R085 or ESL R085. Same as ESL R095

This course emphasizes college-level reading materials across the curriculum with training in reading for major details, main ideas, drawing inferences, and conclusions; considering the nature of evidence and knowledge; and interpreting author's tone and purpose. The course includes advanced vocabulary training, rapid reading techniques with improved comprehension. Formal evaluation is used to individualize instruction. Other activities include a mini research project with instruction in documentation and study skills practice. This course is degree applicable.

ENGL R097 Intermediate Composition 4 Units

Formerly: ENGL R096

In-Class Hours: 70 lecture

Prerequisites: Placement as determined by the college's multiple measures assessment process

In this composition course, students review the principles of effective paragraphs and learn to plan, write and revise short expository themes. This course includes essay-exam taking skills and an introduction to library resources. Upon completion, students will be able to write effective short essays. Students will also be prepared for a successful transition to ENGL R101.

English, Associate in Arts for Transfer

The Associate in Arts in English for Transfer (English AA-T) is intended for students who plan to complete a bachelor’s degree in English or a “similar” major at a CSU campus. For a current list of what majors (and what options or areas of emphasis within that major) have been designated as “similar” to this degree at each CSU campus, please refer to CSU’s Associate Degree for Transfer Major and Campus Search (<https://www.calstate.edu/apply/transfer/Pages/associate-degree-for-transfer-major-and-campus-search.aspx>) webpage and seek guidance from an Oxnard College counselor. Students completing this degree are guaranteed admission to the CSU system, but not to a particular campus or major.

To earn an AA-T in English, students must:

1. Complete a minimum of **60** CSU-transferable semester units including both of the following:
 - a. Certified completion of the Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth (CSU GE-Breadth) requirements.
 - b. A minimum of **19** semester units in the English major as listed in the Oxnard College catalog.
2. Obtain a minimum grade point average (GPA) of **2.0** in all CSU-transferable coursework. While a minimum of 2.0 is required for admission, some majors may require a higher GPA. Please consult with a counselor for more information.
3. Obtain a grade of “C” or better or “P” in all courses required in the major. Even though a “pass-no-pass” is allowed (Title 5 § 55063), it is highly recommended that students complete their major courses with a letter grade.
4. Complete requirements in residency. For students in the Ventura County Community College District, a minimum of 12 units must be completed in residence at the college granting the degree.

Students transferring to a CSU campus that does accept the **English AA-T** will be required to complete no more than 60 units after transfer to

earn a bachelor’s degree (unless the major is a designated as “high-unit” major at a particular campus). This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements.
