

UC Transfer Admission Guarantee - TAG

The benefits of participating in a [TAG \(Transfer Admission Guarantee\)](https://admission.universityofcalifornia.edu/admission-requirements/transfer-requirements/transfer-admission-guarantee-tag.html) (<https://admission.universityofcalifornia.edu/admission-requirements/transfer-requirements/transfer-admission-guarantee-tag.html>) include early notification of admission, course planning assistance, and informational mailing and invitations to university events.

- Complete at least 60 UC-transferable semester units by the end of spring prior to fall admission
- Maintain the stated GPA for that university
- Fulfill the requirements as stated for each university
- TAG applications must be submitted [online](https://uctap.universityofcalifornia.edu/) (<https://uctap.universityofcalifornia.edu/>) by September 30.
- The UC Admission Application must be submitted online at by November 30
- The supplemental criteria for selective majors will vary by UC campus (please check with a counselor).
