Awesome! Jose Vega will be there tomorrow at 10:30am.

I will forward all of the info so he knows where to go.

Thank you!

No problem!

Would this Wednesday work for you? We have our department meeting until 10am, could a Counselor visit your class around 10:30am that day, or later?

Let me know what you think.

Thank you Teresa!

Did I ever schedule a classroom visit with counseling? I am looking for it, but I do not see it. I have in my notes that I have a visit scheduled for 9/5, but it cannot happen because of the holiday.

Sorry for any confusion!

Hi Teresa!

I hope you are having a great start to the semester so far.

Counseling would love to come by your classroom for a presentation. I or another counselor should definitely be able to make it. This is one of our crazy-busiest weeks of the year, so can I confirm with you sometime next week about this? I'm sure that we can have someone be available for you during the week of September 5<sup>th</sup>.

I will keep you posted and will confirm probably by next Wednesday.

Thank you Teresa!

I was wondering if you or another counselor would be able to do a classroom visit with my class. If it is needed, I could set up a zoom for you to visit electronically or you could come to the physical class. This is a 101 class that meets MW from 9:30-11:20. We meet in LA 15. I was thinking a 10–20-minute presentation about counseling with a q & a session would be helpful to the class. Please let me know if you are available sometime during the week of September 5. If not, please let me know when you would be available.

Thanks,  
Teresa
