VCCCD and ACE hereby agree as follows:

RECITALS

- A.** Assembly Bill 288, effective January 1, 2016, and Education Code section 76004 authorizes the governing board of a community college district to enter into a College and Career Access Pathways partnership with the governing board of a school district with the goal of developing seamless pathways from high school to community college for career technical education, preparation for transfer, improving high school graduation rates, or helping high school pupils achieve college and career readiness, for the purpose of offering or expanding dual enrollment opportunities for students who may not already be college bound or who are underrepresented in higher education.
- B.** Assembly Bill 288 and Education Code section 76004 allows community college districts to enter into partnership agreements with high schools to outline the terms of the partnership and to establish protocols for information sharing, joint facilities use, and parental consent for high school pupils to enroll in community college courses.
- C.** Assembly Bill 288 and Education Code section 76004 authorizes specified high school pupils to enroll in up to 15 units (no more than four college courses) per term if those units are required for the pupils' partnership programs and would authorize a community college district to exempt special part-time and special full-time students taking up to a maximum of 15 units (no more than four college courses) per term from specified fee requirements.

AGREEMENT:

NOW, THEREFORE, in consideration of the foregoing recitals and the mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:
