“*The California Community Colleges are at the forefront of online education in California, more so than any other segment of higher education in the state.*” - Hans Johnson, a Public Policy Institute of California (PPIC) Senior Fellow

The California Virtual Campus – Online Education Initiative (CVC-OEI) is a collaborative effort among California Community Colleges (CCCs) to ensure that significantly more students are able to complete their educational goals by increasing both access to and success in high-quality online courses.

The CVC-OEI is sponsored by the Foothill-De Anza Community College District as the recipient of a grant disbursed by the California Community College Chancellor’s Office (CCCCO). Composed of high-quality online courses, resources for students, and technology,

the CVC-OEI represents a comprehensive and collaborative program that leverages effective practices and technology to significantly increase the opportunity for higher education degree attainment in California.
