The Board is committed to assessing its own performance through an annual evaluation by the Trustees to identify strengths and areas of opportunity. Trustees will establish goals and measure performance, effectiveness, and improvement. Progress and results will be presented annually for Board review and may form the basis for modification of future goals.

To that end, the Chancellor shall establish a procedure.

Reference

[ACCJC Accreditation Standard IV.C.10](#): *"Board policies and/or bylaws clearly establish a process for board evaluation. The evaluation assesses the board's effectiveness in promoting and sustaining academic quality and institutional effectiveness. The governing board regularly evaluates its practices and performance, including full participation in board training, and makes public the results. The results are used to improve board performance, academic quality, and institutional effectiveness."*
