

OXNARD COLLEGE MISSION STATEMENT

Oxnard College is a learning-centered institution that embraces academic excellence by providing multiple pathways to student success.

CURRICULUM COMMITTEE

Authority

The Curriculum Committee is a subcommittee of the academic senate and is a participatory governance committee. The Oxnard College faculty is charged by Title 5 with the primary responsibility for making recommendations in the areas of curriculum and academic standards to the Board of Trustees. The Curriculum Committee reports out to the academic senate.

Purpose

In its role as the body that recommends new and revised curriculum to the governing board of the District, the Oxnard College Curriculum Committee provides guidance, advocacy, and oversight in the development of courses, programs, and academic policies, to ensure that the curriculum is academically sound, comprehensive, and responsive to the evolving needs of the academic, business, and social community, in the fulfillment of the college's mission. This committee directly supports Item No(s). 1, 2 and 4 under 10+1.

Goals

- To recommend program changes, certificate pattern changes, course changes, or deletions for approval, when necessary, by the Board of Trustees, making sure such changes meet the standards set forth by the Education Code and Title 5.
- To recommend new courses, their classification as degree, non-degree credit, or noncredit, applicability to associate degree and transfer general education patterns, general transferability, and other curricular elements as mandated by Title 5.
- To recommend all credit and non-credit programs, certificate patterns, and proficiency awards for approval by the Board of Trustees. To be recommended, all programs must meet the standards set forth by the Education Code and Title 5.
- To recommend graduation requirements and general education requirements for the A.A./A.S. and AA/AS-T degrees for approval by the Board of Trustees.
- To ensure that the college's curriculum is current and reviewed on a regular basis.
