The Curriculum Committee is a subcommittee of the academic senate and is a participatory governance committee. The Oxnard College faculty is charged by Title 5 with the primary responsibility for making recommendations in the areas of curriculum and academic standards to the Board of Trustees. The Curriculum Committee reports out to the academic senate.

### Purpose

In its role as the body that recommends new and revised curriculum to the governing board of the District, the Oxnard College Curriculum Committee provides guidance, advocacy, and oversight in the development of courses, programs, and academic policies, to ensure that the curriculum is academically sound, comprehensive, and responsive to the evolving needs of the academic, business, and social community, in the fulfillment of the college's mission. This committee directly supports Item No(s). 1, 2 and 4 under 10+1.
