The Board is committed to its ongoing development as a Board and to a Trustee professional development program that includes new Trustee orientation. Trustees will actively participate in continuous, measurable, sustainable improvements in Board performance through professional development and Board self-evaluation.

The Board will engage in ongoing professional development activities that enhance and improve the demonstration of its primary policy role in assuring the quality, integrity, and effectiveness of student learning programs and services delivered by the District. Trustees will periodically engage in professional development training as a component of their regularly scheduled meeting. Annually, the Board will formally assess its actions in relation to its policy-making role and identify areas in which training is necessary to improve performance.

The Board will engage in ongoing professional development activities that enhance and improve the demonstration of its primary policy role in assuring the quality, integrity, and effectiveness of student learning programs and services. The Board will annually assess its actions in relation to its policy-making role and implement and monitor goals for strengthening Board performance. Trustees will annually recommend areas for necessary training and professional development as part of the Board self-evaluation process.

Trustees are committed to ongoing development as a Board and to individual Trustee professional development that includes new Trustee orientation. Trustees will participate in Board-related conferences and workshops as resources and schedules permit. Trustees involved in professional development activities will provide specific suggestions to the Board designed to enhance performance as an outcome of the activity at the first Board meeting following a conference or workshop.

New Board Member Orientation

In an effort to provide new Board members with the necessary information to perform their duties effectively, the following materials will be provided for their information:

- Copy of the Community College League of California (CCLC) publication.
- Summary of the California Administrative Code, Title 5, Part 6, including sections related to faculty role in shared governance
- Copy of the Brown Act
- Copy of the Community College League of California (CCLC) summary and analysis of AB1725
- Description of parliamentary procedure
- College catalogs, class schedules and other major District publications
- Summary of the roles and responsibilities of the District and statewide Academic Senates
