Dear Citizens Advisory Body Member,

On behalf of the Ventura County Community College District Board of Trustees, I would like to formally invite you to participate in the Citizens Advisory Body meeting scheduled October 9, 2012 at 6:30 p.m. (immediately following the October 9, 2012 Board of Trustees meeting beginning at 3:00 p.m.). Both meetings will be held at Oxnard College, Performing Arts Center, 4000 South Rose Avenue, Oxnard.

The Board established a Citizens Advisory Body for the purpose of reviewing Board budget assumptions and providing general recommendations related to educational programs and services impacting VCCCD students during a time of severe state budget reductions. Recent accreditation recommendations advise the District to utilize constituency and community input/feedback to ensure improved communications in the areas of continued educational excellence, planning, and integrity. To align with accreditation recommendations, the Citizens Advisory Body membership has been expanded to include broader community input/feedback regarding the Board's District-wide planning process, goals, and accomplishments.

In recognition of your work in the community, the Ventura County Community College District Board of Trustees acknowledges you as an influential leader. Your participation in this event will serve to strengthen the District's relationship with constituents and obtain community input to provide greater educational access to the students of Ventura County.

Your RSVP would be appreciated by Friday, October 1.

Thank you and I look forward to seeing you October 9 at the Oxnard College Performing Arts Center.

Jamillah Moore, Ed.D.

Chancellor

Ventura County Community College District
