SHOUT-OUTS

Dr. Edwards would like to shout-out Connie Campos. "She is an amazing human being and has been my saving grace this month as I become acquainted with the duties of the Dean position. She knows what I am thinking before I am thinking it. Thank you, Connie, for being you!! Much more chocolate to come!"

Second shout-out this month goes to Katie Peña. Katie continuously goes above and beyond to ensure the welfare of her students and staff. She always thinks of new ways to enrich the lives of those around her.

These shout-outs truly show we have amazing classified staff that are willing to go out of their ways for others. If you have anyone you would like to recognize, please do so here: [Newsletter Form](#)

FACULTY VS. CLASSIFIED SOFTBALL GAME

Our faculty and classified professionals went head-to-head once again during the All College Day's Faculty vs. Classified Softball Game. As always, our team came and gave it their all. Classified won in 2017, 2018, 2019, and 2021. Due to COVID-19, there was no game in 2020. After so many wins, we are sad to say that we lost 9-8; however, we will get our title back next year. Enjoy the amazing pictures Jesus Rodriguez took of our team on the field.

The University Transfer Fair was held on Tuesday, August 30, 2022 outside of the Student Services Building. This was a wonderful opportunity for students to meet with representatives from various universities to learn about their programs, campus life, application deadlines, etc. The event was well attended, thank you to all the classified professionals that helped make this event a possibility for our students.

OC EXPO

The OC Expo was held on Wednesday, August 31st from 10:00AM - 1:00PM. Students had the opportunity to learn about clubs and services at OC. There was representation from our Student Services departments, programs and clubs. Those in attendance were also able to enjoy free food! Thank you to those classified professionals that made it possible.

ONE WAY LIBRARY!

The Library/Learning Resource folk are creating a "one way library" in their lobby. They are accepting books, DVD's magazines and similar items that you have read and are ready to pass on. The idea is to create a movement similar to the Little Free Library. They are looking for fiction, mysteries, adventures, police procedurals, offbeat non-fiction titles, movies, children books, etc.

They are hoping to share this library with fellow employees and students. You can stop by regularly and take something that is new to you.

We would like to thank the Classified Library Staff for their hard work on this endeavor. We hope it is a successful one.

BOO!
